Steele Farm Management Plan

PUBLIC MEETING at 7 PM - MAY 6, 2015

At Boxborough Community Center

(Across from Town Hall)

This is a community visioning/ informational meeting with the Steele Farm Advisory Committee and the team from The Conway School, Graduate Program in Sustainable Landscape Planning and Design.

We need to gather as much community input as we can, to reach a grounded set of Steele Farm project goals moving forward. Come, and help us understand what YOU and all stakeholders would like for the site and its community use, now and into the future. This is YOUR opportunity to speak up and tell us what YOU think is most important.
