RESTORING & MAINTAINING CONSTITUTIONAL GOVERNANCE RESOLUTION OF
BOXBOROUGH, MASSACHUSETTS

WHEREAS, the Town of Boxborough, Massachusetts is not a "battlefield" subject to the "laws of war;" and

WHEREAS, Federal Judge Katherine Forrest has ruled Section 1021(b)(2) of the 2012 NDAA, H.R.1540 unconstitutional; and

WHEREAS, the use of the words "any person" changes the original intent; and

WHEREAS, the term "belligerent act" is a broad and undefinable term; and

WHEREAS, the U.S. Supreme Court has ruled that neither Congress nor the President can Constitutionally authorize the detention and/or disposition of "any person" in the United States, or citizen of the United States "under the law of war" who is not serving "in the land or naval forces, or in the Militia, when in actual service, in time of War or public danger;" and

WHEREAS, for the purposes of this resolution, the terms "arrest," "capture," "detention under the law of war," "disposition under the law of war," and "law of war" are used in the same sense and shall have the same meaning, as such terms have in the 2012 NDAA, Section 1021(c); and therefore

BE IT RESOLVED, that notwithstanding any treaty, federal, state, or local law or authority, enacted or claimed, including, but not limited to, an authorization for use of military force, national defense authorization act, or any similar law or authority enacted or claimed by Congress or the Office of the President directed at "any person" in the Town of Boxborough, who is not serving "in the land or naval forces, or in the Militia, when in actual service, in time of War or public danger," it is unconstitutional, and therefore unlawful for any person to:

- a. arrest or capture "any person" in Boxborough, or citizen of Boxborough, within the United States, with the intent of "detention under the law of war," or
- b. actually subject "any person" in Boxborough, to "disposition under the law of war," or
- c. subject "any person" to targeted killing in Boxborough, or citizen of Boxborough, within the United States; and be it further

RESOLVED, that the Town of Boxborough requests the Massachusetts State Legislature recognize the duty of the Commonwealth of Massachusetts to interpose itself between unconstitutional usurpations by the federal government or its agents, either foreign and/or domestic, and the inhabitants of this Commonwealth, as well as the duty to defend the unalienable natural rights of the people, all of which is consistent with our oaths to defend the Constitution of the United States and the Constitution of the Commonwealth of Massachusetts against all enemies, foreign and domestic; and be it further

Cont. RESTORING & MAINTAINING CONSTITUTIONAL GOVERNANCE RESOLUTION OF
BOXBOROUGH, MASSACHUSETTS

RESOLVED, that the Town of Boxborough, requests our Congressional delegation commence immediately with renewed efforts to repeal the unconstitutional sections of the NDAA, to wit, sections 1021(b)(2) and 1021(c)(1) and 1022(a)(3) and 1022(a)(4) , and any other section or provision which will have the same, or substantially the same effect, on "any person" in the United States not serving "in the land or naval forces, or in the Militia, when in actual service, in time of War or public danger;" and be it finally

RESOLVED, that the Town of Boxborough requests our Congressional delegation to introduce, support, and secure the passage of legislation which clearly states that Congress not only does not authorize, but in fact prohibits the use of military force, military detention, military trial, extraordinary rendition, or any other power of the "law of war" against "any person" in the United States not serving "in the land or naval forces, or in the Militia, when in actual service, in time of War or public danger."

Recognizing our duty to defend the Constitutions of the United States and the Commonwealth of Massachusetts, as well as recognizing the duty of the people to protect our unalienable natural rights to "life, liberty, and the pursuit of happiness" as articulated in the Declaration of Independence, we, the Town Council of the Town of Boxborough, Massachusetts, do hereby adopt this Resolution.

RESTORING & MAINTAINING CONSTITUTIONAL GOVERNANCE RESOLUTION OF BOXBOROUGH,
MASSACHUSETTS

SYNOPSIS

The National Defense Authorization Act (NDAA) is used to fund our Military. Until 2012, it referred to Military operations and matters, mainly, outside of our nation. On December 31, 2011, at the stroke of midnight, the 2012 NDAA was signed into law H.R.1540. Simultaneously attached, was a "Signing Statement" from the POTUS, drawing attention to Sections 1021 & 1022 that were, mysteriously added, noting, that these Sections would not apply to American citizens. The topic of Sections 1021 & 1022 changed, extensively, non-related, from the previous year's Sections 1021 & 1022. A law suit, immediately, commenced (Hedges v. Obama) Judge Katherine Forrest Ruled in favor of Hedges, giving an Opinion and Order, inviting Congress to Amend Sections 1021(b)(2) & 1022(a)(3) & 1022(a)(4). After Government Appeal, a Permanent Injunction was Ruled, against Sections 1021(b)(2) & 1022(a)(3) & 1022(a)(4) by Judge Forrest, in NY. Since further appeal, was in favor of the Government, there have been many Bills presented to remedy this overreach. Upon continued and extensive legal analysis, Sections 1021 & 1022 are considered unconstitutional, violating our 1st, 4th, 5th, 10th, and 14th Amendments. In addition, the principle of Separation of Powers has been compromised, as a direct result and gives the POTUS powers never intended, referenced to in Article VI, of the Constitution, the Supremacy Clause. Since Supreme Court has determined that Section 1031 (b)(2) in the 2001, Authorization for Use of Military Force (AUMF), which was implemented as a direct result of the September 11, 2001 attacks, is in place, abroad, the NDAA Sections 1021 & 1022 are moot, according to testimony given by Government, in the law suit; however, the Domestic application of the NDAA 1021 & 1022 are a dangerous development and are being stricken by new Laws, Resolutions, and Nullifications across the Nation.

The 2012 NDAA, Sections 1021 and 1022, authorizes the indefinite military detention, without charge or trial, of any person, including an American citizen, and applies the "Law of War," to U.S. soil, making the United States legally a battlefield.

FREEDOM'S WAY
NATIONAL
HERITAGE AREA

Dear Selina,

Freedom's Way Heritage Area invites your town to participate in an exciting two-day regional celebration entitled "Hidden Treasures." On Saturday, May 16th and Sunday, May 17th, 2015, each participating community will offer a free, public program featuring a "hidden treasure" in their town. Please help us meet our goal to promote your town's treasure across the 994-square-mile Freedom's Way area, home to over 750,000 people.

Our First "Hidden Treasures" Event – Your Community's Opportunity to Connect with its History

"Treasures" chosen could be objects or documents held in local collections, public monuments, landscapes or structures. Each community will select a single "hidden treasure" that tells an exciting or unexpected story from its history.

With assistance from Freedom's Way, each community will develop a program that shares that story and the "hidden treasure" with the public. We aim to entice families to explore the history of our 45 communities through fun and creative activities.

We would appreciate it if you would pass our invitation to participate in the "Hidden Treasures" event to a community group you think would be interested in collaborating with us. With your help, this inaugural year will be a success and "Hidden Treasures" will become a Freedom's Way tradition.

You may know which organizations have previously worked with Freedom's Way — we would be pleased to renew our acquaintance with them. On the other hand, we look forward to involving more community groups in the Heritage Area and welcome the opportunity to be introduced to other stewards of history and landscape.

The Freedom's Way Heritage Association works in partnership with the National Park Service to support the Freedom's Way National Heritage Area in Massachusetts and New Hampshire.

Freedom's Way connects the people, places and communities of the Heritage Area through preservation, conservation and educational initiatives to protect and promote our shared resources and to encourage residents and visitors to explore our landscape, history and culture.

Freedom's Way Will Support Each Participating Community

Through communication and targeted support, we will provide the participating organization with a framework for program development. At each step along the way, through creation, refinement, and implementation, Freedom's Way will be ready with the tools and materials needed to assist in developing the best program possible.

Our Timeline

The deadline for committing to participation in the May, 2015 "Hidden Treasures" event is the end of October 2014. We would like to start conversations with you, your staff or interested community groups previous to that. Freedom's Way will provide a media kit that can be used to generate community interest.
