WELCOME TO BOXBOROUGH: A RURAL, ENGAGED COMMUNITY FOR ALL

This newsletter is designed to give new residents useful information about the Town, town government, and some of the resources available to residents and how to access them. We may be small, but we have a wealth of resources to offer our residents, and many opportunities to become involved in the operations of and planning for our town.

Love books and libraries? Visit the Sargent Memorial Library for story hours, events, and a full-service selection of print and digital books and media for you to peruse there, or check out to enjoy at home. Consider joining the Friends of the Library or becoming one of the elected Board of Trustees.

Enjoy communing with nature? Our proud history of land conservation and preserving open space for recreation is evident in the many trails and areas in Boxborough for walking, exercising your dog, or communing with neighbors. Our Town website, www.boxborough-ma.gov, includes trail maps and GIS mapping for our conservation areas. The Boxborough Land Stewards and the Conservation Commission welcome your participation.

Boxborough has many elected and appointed boards that govern our town. Residents can offer their time, expertise, and service to any number of boards and committees, from public celebrations, to recreation, to finance. All meetings are posted on our town website and are open to the public.

Boxborough operates under an Open Town Meeting form of government. Town Meeting is the purest form of government. All registered voters in Boxborough have a say and a vote in passing our budget and warrant articles that affect your tax rates, and contribute to public safety, our schools, conservation, and more. We encourage you to attend and participate in Town Meetings, which are held at the Blanchard Memorial School, in the gymnasium. Annual Town Meeting begins the second Monday in May. "Special" Town Meetings can take place at any time, as the need arises.

We hope that you find this newsletter to be a handy reference. Please feel free to contact any of us here at Town Hall if you have questions. And also be sure to visit our website www.boxborough-ma.gov for more in-depth information on what is happening in Boxborough.

Town boards and committees are how things get done in Boxborough. All board and committee meetings are open to the public and attending a meeting is a good way to learn about what's happening in town.. The guide below is intended to give you an overview of the major boards and committees in town, some of which are appointed, and others elected at the annual town election in May. A more complete description of each board/committee, their current membership, as well as meeting dates, times, and agendas are posted online at www.boxborough-ma.gov.
