Summer Playground

The Directors still need a first aid kit. **Actions:** Kevin and Matt will check to see if they have the old ones. Matt will buy supplies and fill them.

Photos- this year photos can only be of the back of heads of attendees and far away shots as we did not require them to complete a release form. **Action:** For future Playgrounds- we will add a release form (for photos) to the camper and counselor applications.

Attendee numbers- we are behind our usual numbers, but we are still getting phone calls asking about it. **Actions:** Megan can send an email our through the school, drop off applications at the library, and mention it to the Acton Family Network. Hilary will post in the Beacon and Action Unlimited each week leading up to camp. Directors can attend Field Day at Blanchard on June 19th to generate interest. The Directors will also be doing some activities at Fifer's Day to promote Playground.

Other- There will be a Spanish only-speaking child (Grade 4) attending Playground this year with his/her older cousin. CASE students- we have not heard anything about them participating in Playground this year.
