Minutes from September meeting

Motion to accept minutes as posted from 09/08/2015; all in favor.

Update on programs

We were never able to get the gymnastics program posted on the town website.

Tae kwon has 9 total participants. Rick is thinking about New Year's special for to generate more interest.

The regional district assistant to the superintendent will not send emails to the Acton schools regarding our programming.

Winter Program

Need to find copy of last year's program and send to Kevin. Next month's meeting we will finalize the details. We still need to discuss who will run the program and the split up of the ages/grades. We will target Nov 20th to publish the information and get it out to Blanchard.

CPC application review/endorsement

There are \$260K worth of proposals and \$150K available.

The school district is proposing to construct "Nature's Play space"; asking for \$60K of CPA funds and looking for Rec Comm's support. \$20K would come from the school district. They have completed one play space at Conant and are working on one at Douglas. The space would be open to the public during non-school hours.

Commission Member Interest

Rick Barrett is interested in joining the Recreation Commission. **Action Item:** Kevin to ask Selina about potential conflict of interest with Rick teaching Tae Kwon Do once he starts being compensated.
