“Our World” Foreign Film Series Sub-Committee

Meeting Minutes for October 9, 2014 6:30 PM at the Sargent Memorial Library History Room

Attendees: Nancy C. Evans, Greg Hutchins

A discussion of potential films to be shown led to a decision that Greg would look for films from Northern Hemisphere countries, to include the Scandinavian nations, and that Nancy would look into films from the Southern Hemisphere, to include African and South American nations.

Discussion of potential dates and venues for the series led to a decision to tentatively schedule a series of four Friday nights at Acton Town Hall, to include April 24, May 1, May 8, and May 15.

Greg will contact Todd Davis to determine if he is still interested in participating in the sub-committee as a member of the public.

November 6 will be targeted as the next meeting date, same time and place, with Nov. 13 as “rain date.” Nancy will attempt to secure a reservation for the space.

Meeting adjourned at 7:30 PM.
