ALSO PRESENT: Ryan Ferrara, Town Administrator; Sean Donahue, Assistant Town Administrator and Cheryl Mahoney, Department Assistant

At 7:00 PM Chair Neyland called the meeting to order in the Grange Meeting Room Town Hall 29 Middle Road; noting that Member Fox was unable to attend, and that he would be participating remotely by phone. Member Fox confirmed his participation.

The documents discussed herein have been included with the file copy of the agenda packet for the above referenced date and are hereby incorporated by reference.

Announcements

Chair Neyland read the announcements.

Approval of payroll and payable warrants

Chair Neyland read the memorandum from the Town Accountant Barrett, provided in the agenda packet, regarding approval of payroll and payable warrants.

Minutes

- Member Fowlks moved to approve the regular session minutes of January 6, 2020; January 21, 2020; FY 2021 Operating Budget Meeting [Joint with Finance Comm.] of January 11, 2020 and Boxborough2030 Master Plan Review Session [Joint with Planning Bd.] of January 13, 2020, as written. Seconded by Member Bak. **Approved: 4-0** by Roll Call vote Fowlks "aye," Neyland "aye," Bak "aye," and Fox "aye."
- Member Fowlks moved to approve the executive session minutes of January 21, 2020 as written. Seconded by Member Bak. **Approved 5-0** by Roll Call vote: Fowlks "aye," Neyland "aye," Bak "aye," Fox "aye," and Stemple "aye."

There were no Citizens Concerns.

General Business

- Pursuant to the recommendation of Town Clerk, Liz Markiewicz, Member Fowlks moved to appoint John Fallon as a temporary constable for a term commencing March 1, 2020 and ending December 31, 2020. Seconded by Member Bak. **Approved 5-0** by Roll Call vote: Stemple "aye," Fowlks "aye," Neyland "aye," Bak "aye," and Fox "aye."

Policy Advisory Committee (PAC) Update

- There was a review of the policies that had been identified but not acted upon by the PAC. (e.g. Expenses, Investment and Town Vehicle Usage). It was further reiterated that the Senior Tax Work off policy will need to be revised once Town Meeting approves the proposed program changes. Member Bak moved to disband the Policy Advisory Committee effective immediately. Seconded by Member Fowlks. **Approved 5-0** by Roll Call vote: Stemple "aye," Fowlks "aye," Neyland "aye," Bak "aye," and Fox "aye."

Update on Town Boards/Committees/Commissions

- TA Ferrara updated the Board on the efforts of the Economic Development Committee (EDC) and UMass Economic Development Study. The Study is progressing and EDC Chair Guzzardi is looking to include a 2nd charrette, as the priority is public outreach/input. It is important to have the proper engagement with the public. The EDC has submitted a proposed Zoning Bylaw amendment to the Planning Board regarding retail parking allocation, which has been included in the Planning Bd.'s upcoming public hearing.

- Chair Neyland spoke to the Boxborough 2030 Master Plan; noting that the minutes of the Joint review meeting were provided tonight. She will be working with Planning Board Chair Markowitz on “next steps.” As part of this process, it was noted that the updates to the website are going forward and March 12th is the targeted launch date. ATA Donahue reviewed some of the migration components.
- Member Bak updated the Board on the Personnel Board’s work concerning the Classification and Compensation Study and an overview of their voted recommendations regarding amendments to the Personnel Administration Plan, specifically the Classification and Compensation Schedule. They will continue this work at their meeting on Friday. Their recommendations will impact FY 2021 salary calculations. The Personnel Board also continues its research into the possible reclassification of the Town Clerk from an elected to an appointed position. This should be a placeholder article.
- Member Stemple advised that the Sustainability Committee will likely be voting on the Carbon pricing proposal at their meeting this week.

The Board took Agenda Item #10, out of order

Select Board & Town Administrator's reports/updates

- Member Fox reported that:
 - The primary driver for the recent Building Comm. (BBC) meeting was to approve the minutes of 11/19/19, as revised as required. They also approved their January meeting minutes and voted to release their Executive Session minutes. This wrapped out all of the remaining business of the previous iteration of the Building Committee. Their Annual Report has been submitted.
 - The Water Resources Comm. (WRC)’s recent meeting focus was on efforts to identify a water source for the west side of Town, noting the locations identified in 2005. They also discussed possible well monitoring plans for data collection purposes and TA Ferrara has been asked to develop a scope of work so we can work to identify potential vendors for these services. WRC also reviewed the MAPC overlay mapping project. They are actively working with the Board of Health to get information out there such as an article in the winter edition of the Boxborough Bee which will be followed up with another in the spring edition. They are also working on a process for residents to voluntarily share their well testing results, if they so choose. There was discussion as to how this process might work. Their Annual Report has been submitted.
- TA Ferrara followed up on Member Fox’s comments:
 - In regards to the Building Comm. approving revised minutes, Open Meeting Law Complaints were filed against the BBC and also Boxborough Leadership Forum and the Finance Comm. The responses were submitted and the Town received word today that these changes have been accepted and they have deemed the matter closed.
 - In regards to the WRC TA Ferrara and Planner Corson have been working with MAPC on the overlay mapping project; and working with the MAPC’s GIS specialist.
- Member Bak reported that the Acton Health Dept. has reached out to the surrounding communities to gauge interest in taking a regional perspective in applying for a grant to address isolation issues.
- Chair Neyland reported that:
 - The work of the School Building Committee is progressing. The last couple of meetings have focused on incorporating the value engineering changes (aka project components).
 - She has received the final input submissions concerning the Town Administrator's Performance Review. She will be compiling this information and sitting down with TA Ferrara to discuss. A further update will be provided to the Board on at the February 24th meeting.
 - She is working on the Board’s 2019 Annual Report. The Town Accountant is assisting with the number data. She is also working on the spring 2020 Boxborough Bee submission.

FY 2021 Budget /Annual Town Meeting Preparations

- Though there are no new updates on FY 2021 Budget since Saturday’s Capital Budget meeting, the Board reviewed some of the anticipated outside factors that will impact the budget (e.g. Health and General Liability Insurance quotes; ABRSD Assessment; OPEB). There will be a joint FY 2021 budget discussion with FinCom at the February 24th meeting.
- Annual Town Meeting - May 11, 2020 - Initial Review

The Board reviewed the list of proposed Warrant articles. It was noted that this list was recently revised based on Saturday’s Budget Workshop discussions. Specifically, there was discussion on some of the funding components; the CPC Project

components; including the additional information that the promoters of some of these articles provided at Capital Budget Saturday and need for the Cable funding appropriation to adequately address additional video meeting recording hours. There was a general discussion on ability to reassign unused funds from “close out articles.” There was an expanded discussion on some of the capital funding articles including IT infrastructure; public safety equipment; DPW equipment & improvements; and the annual paving funding. There was discussion of a possible funding change for public safety equipment – moving away from capital articles and placing them within the operating budget.

There was also discussion on other proposed articles including the adoption of the “stretch energy code” option being proposed by the Sustainability Committee being discussed later; Zoning Bylaw amendment articles referenced in the Town Planner’s email memo provided in the agenda packet and public outreach & article(s) necessary to address the re-purposing of Stow Road property for a public safety facility; transferring control from the Affordable Housing Trust to the Town for this. It was noted that the filer of the Citizens’ Petition concern “Life Science” zoning was present this evening. The Petitioner advised that she will be looking at a possible amendment on town meeting floor to re-focus and clarify that intent to be only address facilities within Boxborough. It was re-iterated that there will be a placeholder for making the Town Clerk an appointed position. There was a review of the articles that had been removed from the previous list.

Sustainability Committee Chair Francie Nolde and members Larry Grossman and Barbara Salzman were present to discuss the proposed adoption by the Town of the “stretch energy code.” Grossman spoke on this proposal, providing an overview of the differences between the standard building code and the stretch code components; the residential/commercial projects for which the stretch code would apply; potential amortized cost savings for the property owner; and that many of our surrounding communities have adopted this option. The Town can always roll-back its implementation if it is not working for our community. Public education on this proposal is essential. Grossman agreed that some of the available information can be ambiguous and contradictory so further research will be necessary. It would take a while before it can go into effect. Member Fowlks moved to place adoption of the stretch energy code on the May 11, 2020 Annual Town Meeting Warrant, per the request of the Sustainability Committee. Seconded by Member Stemple. **Approved 5-0** by Roll Call vote: Stemple “aye,” Fowlks “aye,” Neyland “aye,” Bak “aye,” and Fox “aye.”

- Neyland discussed possible content for the BSB Report that is provided at Town Meeting. She wants to highlight the work of the departments this year.

Executive Session

At 8:40 PM, Chair Neyland moved to adjourn to executive session in the Grange Room Annex to conduct strategy sessions in preparation for negotiations with nonunion personnel (Police Chief and DPW Director), per C30A §21 (a), subsection 2, and the Chair shall note that to discuss in open session may have a detrimental effect on the negotiating position of the Board. The Select Board will not be reconvening in Open Session after completion of the Executive Session. Seconded by Member Fowlks. **Approved 5-0** by Roll Call vote: Stemple “aye,” Fowlks “aye,” Neyland “aye,” Bak “aye,” and Fox “aye.”

Ryan Ferrara, Town Administrator
Town of Boxborough
29 Middle Road
Boxborough, MA 01719

Dear Ryan,

The Acton Boxborough Cultural Council would like to request a one-day license from the Boxborough Select Board to serve white wine and sparkling wine at our annual Grantee Reception. This year's reception will be held on April 7, 2020 at the Sargent Memorial Library. An application for the license/permit is attached. Since we are a Town board, could you please waive any fees for this?

Could you please present our request to the Select Board at their next regularly scheduled meeting.

We hope to see you and the members of the Board at the reception.

Thank you,

Sharon Garde
ABCC Chair

Hi Sharon,

The Trustees have approved the alcohol service request. Please let me know if you need other documents from me to support your liquor license application to the Board of Select Board. Thank you.

Hi Sharon,

Sorry for the delay. There was some issue with the meeting being posted, and so the Trustees meeting is delayed until tomorrow night. I'll update you ASAP. Thanks for your patience.

Hi Peishan,

I got with the rest of our committee, and we decided that Tuesday April 7 would be a good date to hold our reception. Is that OK?
If possible, we would like to set up in the morning, but if not, we can work around that. The reception will be from 7-9 PM, so we will need setup and cleanup time around that too.

Here is a scan of the room request form. Let me know if this is all OK.

Also, I have been asked to help arrange for the refreshments for our reception. As in the past, the ABCC would like to serve white and sparkling wine, under a one-day liquor license. Can you please place this request to the Library Board of Trustees at their next meeting? Or is there someone else I have to contact for this request?

Thank you so much,
Sharon Garde
