

FREE EVENT sponsored by the **Boxborough Sustainability Committee**

To Stop Climate Change, Start at Home.

Have you been looking to reduce your own carbon footprint but don't know what steps to take next? Or are you completely new to the concept and just want help getting started? Join Zero Carbon® Home's David Green and the Boxborough Sustainability Committee for this **free virtual event** to find out how to transform your home into a Zero Carbon® Home!

All attendees get a free digital copy of *Zero Carbon® Home!*

When: Thursday, May 13, 7:00-8:30pm

Where: Online
