

Structures on the Trail

Steele Farm was purchased in 1994, with the ice house (below) being donated in 1997. The barn on the property (shown on the front) was built to replace the previous one destroyed in the 1958 hurricane.

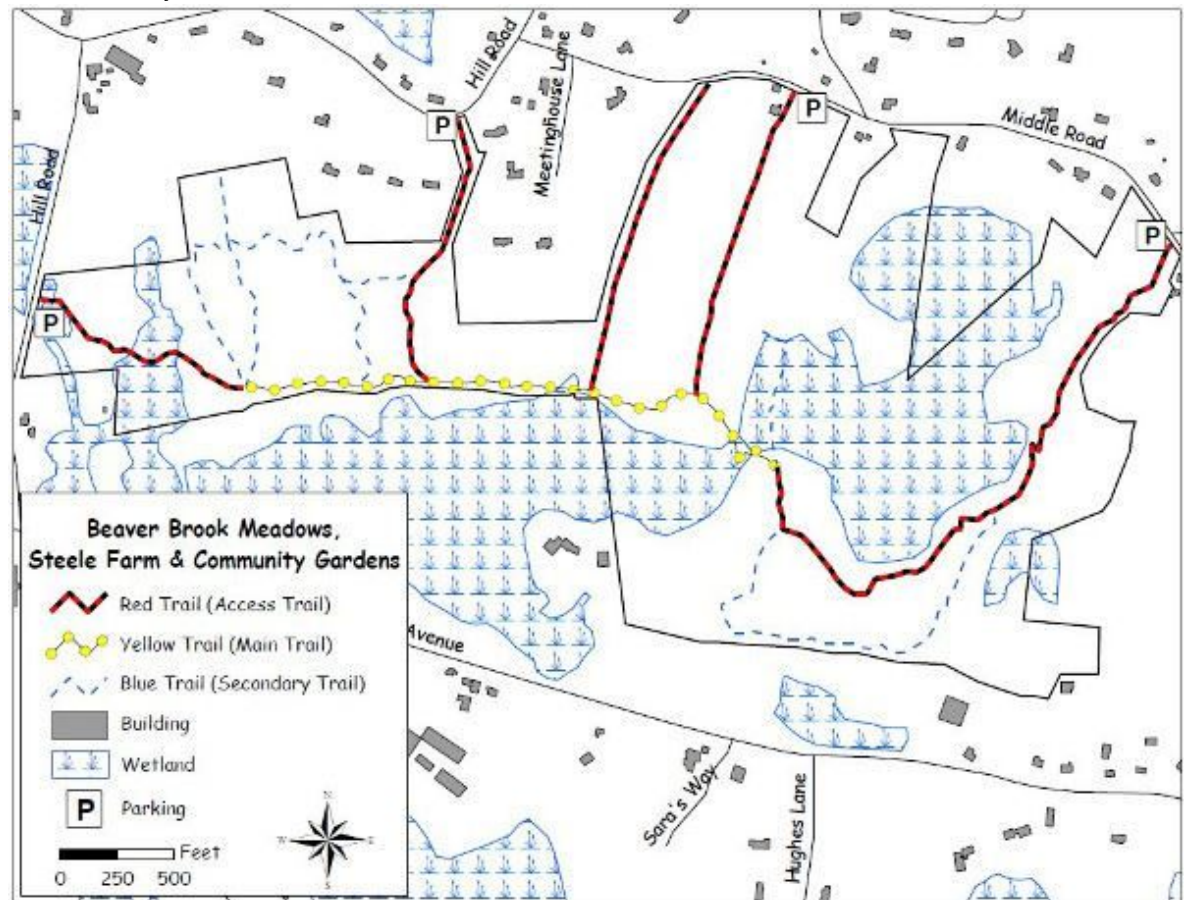

Natural Features

The portion of the trail in the woods features streams and marshes as well as many farmer walls and plant life.

Trail Markings

Trails in Boxborough are marked with brown wooden signs that are visible from the road.

Community Gardens:

Residents of Boxborough can plant garden plots on the land of Steele Farm. Visit the Boxborough website and contact the town hall for more details.

Good Trail Manners (Leave No Trace)

- Plan ahead and prepare.
- Travel on durable surfaces.
- Leave what you find (Leaves, feathers, etc).
- Respect wildlife.
- Be considerate of other visitors on the trail
