**** CONSENT AGENDA**

Town Moderator, John Fallon, called the Annual Town Meeting to order at 7:03pm. There were 157 voters present. After some announcements the Blanchard School Vocal Ensemble led by Margie Callahan sang the Star Spangled Banner and led the meeting in saying the Pledge of Allegiance.

Mr. Fallon asked for a Moment of Silence for those in Boxborough who died and those in our Armed Forces who died or were wounded during the last year.

Mr. Fallon discussed procedural issues about how he planned to run the town meeting.

Vince Amoroso, BOS chair, moved that any adjourned sessions of Annual Town Meeting will be held on Tuesday, May 13th; Thursday, May 15th; Wednesday, May 21st and Thursday, May 22nd;

and further, that no debate will begin on any new article after 10:30 p.m.

Action on the motion: Motion carried unanimously.

Mr. Amoroso moved that on town meeting matters requiring a two-thirds vote by statute, a count need not be taken unless seven or more registered voters immediately question the vote so declared by the Moderator.

Action on the motion: Motion carried unanimously.

Mr. Amoroso moved to postpone consideration of articles 8, 9, 7 and 6 until Tuesday, May 13 as the first four items of business, respectively, at the adjourned session of the Annual Town Meeting, and further, to consider the articles in the order indicated in this motion. He explained the rationale for this change.

Action on the motion: Motion carried unanimously.

Mr. Amoroso moved that once final action has been taken on an article, and the next order of business has been taken up, or the session of Town Meeting has been adjourned, the article may not again be considered at that Town Meeting unless, in the best judgment of the Moderator, a significant error or omission occurred in the article's language, or in the process of action on the article, or a significant change of circumstances has occurred, such that there is a clear likelihood that the outcome could change upon reconsideration or that reconsideration would be in the Town's best interest.

He said the purpose was to introduce finality to discussion and vote on a given article. The FinCom recommended unanimously.

Ms. Becky Neville, Middle Road, said that she wondered why we would do this. She thinks the possibility of reconsideration makes people come to Town Meeting.

Michael Toups, Flagg Hill Rd, said we have been saved by reconsideration in the past. He didn't want the moderator to decide what substantive information is.

Karim Raad, Houghton Lane, agreed with the first speakers.

The moderator called for a teller count.

Action on the motion: The motion carried. Yes: 70 No: 52

Mr. Amoroso moved to adjourn the Annual Town Meeting until the conclusion of the Special Town Meeting.

Action on the motion: Motion carried unanimously.

SPECIAL TOWN MEETING

Saying that he was a member of the Friends of the Council on Aging, the Moderator recused himself from moderation Article 1 due to the possible appearance of a conflict of interest. Town Clerk, Liz Markiewicz, became temporary moderator.

ARTICLE 1 LEASE OF U.C.C. FELLOWSHIP HALL FOR COMMUNITY CENTER

(Majority vote required)

Les Fox moved to authorize the Board of Selectmen to enter into a successor agreement with the United Church of Christ, Congregational, Boxborough, MA, for a term of three years, commencing July 1, 2014, for the lease of the Fellowship Hall, to be used as a community center, and further to transfer from Free Cash the sum of Eleven Thousand Four Hundred Dollars (\$11,400) for the purpose of funding the first year of the renewed lease for the period July 1, 2014 through June 30, 2017.

The Board of Selectmen recommends (4-1).

In May 2012 town meeting approved the first year funding of a two-year lease of the UCC Fellowship Hall for use as a Community Center, with term ending June 30, 2014. Funding for the second year was approved in the COA budget at ATM in May 2013. This article is to provide funding for a new three-year lease from July 1, 2014 to June 30, 2017. It is placed within the Special Town Meeting so that approved funds will be available for timely execution of the new lease.

During the past two years the town has made excellent use of the Community Center. It has provided a much-needed facility for a variety of seniors' activities and additional committee meeting space. Other venues (e.g., Grange meeting room and Library) are simply not feasible, considering schedules and food service needs. It should be noted that use of the facility is NOT restricted to senior activities. The facility has been and will continue to be an alternative venue for other activities, including overflow meeting space when Morse/Hilberg and the Grange room are occupied.

Terms for a new lease have been agreed with the UCC principals and the town, and are virtually identical with the current lease. The first year rent is \$950/month (0.5 % increase) with increases of 2.6% and 2% in the second and third year, respectively. This equates to an average yearly increase of 1.7%. The town rent pays a portion of utility usage and maintenance for the facility.

The Selectmen recommend approval as a prudent use of funds to assure the UCC Fellowship Hall will continue to be available as a valuable and beneficial community resource.

The Finance Committee recommends unanimously (6-0).

The FinCom recommends this article as it provides a location to be used by the citizens of Boxborough. The original two-year lease with the United Church of Christ was voted and approved at STM on May 14, 2012 at a rate of \$900 per month for FY2013 and \$945 per month in FY2014. The lease renewal will be a three-year lease

at \$950 per month in FY2015, \$975 per month in FY2016 and \$995 per month in FY2017. Funding for FY2016 and FY2017 will be in the COA budget.

Karyn Kealty, Waite Road, spoke against the motion. She said there were enough programs taking place in the Community Center to justify the cost. She thought there was enough space at Town Hall and the Library for programs at no extra cost to the town.

Nancy Fillmore, Burroughs Road, also spoke against the motion for similar reasons.

Jessica Eichelburg, Hill Road, said that, in order to develop programming for seniors, it was important to have a dedicated space.

Maria Neyland, Picnic Street, thanked the seniors for their ongoing support of the schools and said that \$11,000 for a senior center seemed like the least we could do for them in return.

Motion to vote now carried by two-thirds as declared by the moderator.

Action on Article 1: The motion under Article 1 carried.

ARTICLE 2 FUND FIRST TWO YEARS OF COLLECTIVE BARGAINING AGREEMENT - MASSACHUSETTS COALITION OF POLICE, LOCAL 200, POLICE

(Majority vote required)

Les Fox moved to transfer from Free Cash the sum of Thirty-Eight Thousand Nine Hundred Dollars (\$38,900) to fund the first two years of the collective bargaining agreement between the Town and the Massachusetts Coalition of Police, Local 200, Police (July 1, 2012 to June 30, 2015).

Summary

This article is for funding of the first two years of the collective bargaining agreement with the Massachusetts Coalition of Police, Local 200, Police, for the term July 1, 2012 – June 30, 2015. Funding for year three is included in the FY 2015 budget request under Article 5.

The Board of Selectmen recommends (4-0-1; one abstention).

At ATM in May 2013 funding was approved for new Fire and Dispatch contracts. At that time, negotiations had not been completed with Police. Subsequently, the Town and Police Union mutually agreed to mediation through the Joint Labor-Management Committee (JLMC). As a result we were able to reach agreement on a new contract. Approval of this article in the STM will provide retroactive funding for FY13 and FY14. Funding for FY15 is included in the FY15 budget within ATM.

As with the Fire and Dispatch negotiations, the Board of Selectmen kept the FinCom apprised of progress throughout. Terms of the final Police agreement are in line with those previously concluded for Fire and Dispatch. The Police will receive cost of living increases of 1.5%, 1.75% and 1.75% for FY 13, FY14 and FY 15 respectively, with no change to shift differentials.

The new Police Collective Bargaining Agreement is consistent with goals of the Selectmen and financial input from the Finance Committee. The Selectmen recommend approval of this article.

The Finance Committee recommends unanimously (6-0).

The Town and the Police Union reached a mediated settlement mediation and this article retroactively funds FY2013 and FY2014. FY 2015 funding will be part of the annual budget under Article 5 of the annual town meeting. The Police Agreement is consistent with FinCom budget advice to the negotiations team.

Karim Raad asked about the vote from last town meeting. Thought fire and police both went to mediation. Les Fox explained that fire and dispatch were settled but not police.

Carole Driscoll asked about the abstention on BOS. Raid said he abstained for personal reasons.

Action on Article 2: The motion carried unanimously.

ARTICLE 3 TRANSFER FROM INSURANCE PROCEEDS

(Majority vote required)

Bob Stemple moved to transfer the sum of Fifteen Thousand One Hundred Sixty-Four Dollars (\$15,164) from the Insurance Proceeds Account to the Reserve Fund.

Summary

According to Massachusetts General Law, reimbursements received from insurance carriers in excess of \$20,000 require appropriation. In 2013 and 2014, the town received insurance proceeds in the amounts of \$26,526.34 and \$28,900 respectively to reimburse for the loss of two vehicles. Replacement vehicles were purchased; however, in each instance, since only \$20,000 could be expended from the insurance proceeds account, reserve fund transfers were required to enable the purchase of the replacement vehicles. This article requests the transfer of \$15,164 to reimburse the reserve fund for the transfers out of the fund.

The Board of Selectmen recommends unanimously (5-0).

The Finance Committee recommends unanimously (6-0).

This is a housekeeping item to reimburse the reserve fund for expenditures made to replace two police cruisers in FY 2013 and FY 2014. Note any unexpended funds in the reserve account will flow through to free cash.

Action on Article 3: The motion carried unanimously.

ARTICLE 4 AMEND FY 2014 PERSONNEL CLASSIFICATION AND COMPENSATION PLAN

(Majority vote required)

Susan Bak moved to amend the Personnel Plan, by striking out the present Schedule A - Classification of Positions and Schedule B - Compensation of Positions and inserting in place thereof a new Classification and Compensation Schedule, as printed in the Special Town Meeting warrant under Article 4, to become effective July 1, 2013; and further, to amend the FY 2014 Operating Budget for the purpose of funding those changes by transferring the sum of Four Thousand Nine Hundred Seventeen Dollars (\$4,917) from Department 192, Town Hall to other Town departments as printed in the Special Town Meeting warrant under Article 4.

The Personnel Board unanimously recommends (5-0).

In 2013, the Town retained the services of a personnel consultant to conduct a comprehensive classification and compensation study for all non-union town personnel, i.e. those employees covered by Schedules A & B. Over the course of twelve months, the Consultant met with the Personnel Board, surveyed seventeen comparable communities, and reviewed the existing compensation and classification plan and job descriptions. The goal was to develop a systematic formalized plan with equitable job groupings and compensation levels. Considering the comparable wage data as well as the characteristics of each position and internal equity factors, the Consultant developed the classification and compensation schedule before you tonight.

At last year's town meeting, the voters approved an overall 2% increase for all employees, maintaining them in their current step while the Personnel Board determined a path forward for the future. Throughout the study, the goal was to provide an equitable salary for our non-union employees, while keeping those salaries within the 50th percentile. The schedule was prepared with the possibility of implementing retroactively to July 1, 2013.

The existing schedule has 7 (8, if we include G+) steps with 3.5% between each, and a range of approximately 25% from the minimum to the maximum. The new proposed schedule has 9 steps, with 2.5% between each, and a range of approximately 22%.

The Personnel Board recommends adopting the classification and compensation schedules retroactive to July 1, 2013. The schedules cover 30 regular and over 50 intermittent non-union personnel. No appropriation is being requested since the retroactive compensation can be absorbed in the operating budget approved at Town Meeting last May.

The Board of Selectmen recommends (4-1).

The Board of Selectmen believes this is the correct and equitable way to move forward. As mentioned in the Personnel Board recommendation no appropriation is being requested since the retroactive compensation can be absorbed in the operating budget approved at Town Meeting last May.

The Finance Committee recommends (3-2).

FinCom presented opinions for and against the article at Town Meeting.

Ms. Bak presented a more detailed analysis of the basis for the recommended changes to the Personnel Plan and the rationale for making the change retro-active to FY14.

Channing Wagg, Hill Rd., asked what the time period of the increases were. If the duties don't change why not have fewer steps but larger. Exempt work is not a function of time on the job, but education and skills. Why weren't these issues addressed.

Karim Raad asked about the table—why grades didn't start at Grade 1. Ms. Bak said that the first seven grades are hourly positions. Asked why there is a Grade 16 but no positions. She said that there may be a time when a position like that is created. He asked how many extra steps there were in the new plan vs. the old. The answer was two.

Jim Gorman, Hill Rd., said he was the one selectman who didn't vote for the plan. He thought some of the classifications were incorrect.

Mr. Gorman moved to amend the "Per diem and Intermittent Employees" Schedule in FY2014 Personnel Classification and Compensation Plan in the following line: Part Time Dispatcher, amend \$16.84 per hour to \$17.16 per hour. He provided his rationale.

Ms. Bak explained the difference in classification between part-time dispatcher and fire.

Mr. Gorman did not agree with the rationale.

Mr. Suleiman said that we cannot dismiss the differences between part time Dispatch and part time Fire. The jobs are different. The money difference is very small. He cautioned that we should not dismiss this study which was carefully done on the basis of a disagreement on one detail.

Karim Raad said either you vote for the study or you vote against it as a whole. It didn't make sense to go through and amend the plan line by line. He was against the motion.

Action on the amended motion: Amended motion failed.

Jennifer Campbell, Patch Hill Road, appreciated the effort of the Personnel Board. She thought retroactive pay was a bad precedent to set.

Channing Wagg, Hill Road, said he still had some reservations about the plan and the methodology.

Maria Neyland, Picnic St., moved the question.

Action on the motion to move the question: Motion carried by 2/3 as declared by the moderator.

Action on Article 4: The motion carried by majority vote.

ANNUAL TOWN MEETING

CONSENT AGENDAS

In an effort to streamline Town Meeting and make it more inviting to voters, the Board of Selectmen will again use the Consent Agenda. This will speed the passage of articles which the Selectmen feel, after consulting with Town Counsel, the Moderator and the Finance Committee, should generate no controversy and can be properly voted without debate. The purpose of the Consent Agenda is to allow motions under these articles to be acted upon as one unit and to be passed without debate. The selectmen have voted unanimously (5 – 0) to recommend all those articles on each of the Consent Agendas.

This year, there will be two Consent Agendas. The **Fiscal Consent** (Article #11 through #21, inclusive) includes reauthorization of revolving funds, transfers and some appropriation articles considered to be non-controversial. The **Non-monetary Consent** (Article #38 through 40 inclusive) will be taken up as usual at the end of Town Meeting. All of the articles to be taken up on the Consent Agendas are indicated by a double asterisk (**).

THE CONSENT AGENDAS WILL BE TAKEN UP AFTER CONSIDERATION OF ARTICLES 10 AND 37, RESPECTIVELY.

At the call of each of the Consent Agendas, the Moderator will announce the number of each Article. If one or more voters object to including any particular Article in the Consent Agenda, they should say the word “Hold” in a loud voice when the number is called. The Article will then be removed from the Consent Agenda and restored to its original place in the Warrant. We will then debate and vote on it in the usual manner. After calling the individual items in the Consent Agenda, the Moderator will ask that all items remaining be passed AS A UNIT by the voters.

Please carefully review the list of articles proposed for each Consent Item. Summaries are included under many of the articles printed in this warrant.

COMPILED ARTICLES CAPITAL EQUIPMENT and INFRASTRUCTURE & STUDIES and INITIATIVES

In an additional effort to streamline Town Meeting, we have compiled the majority of non-borrowing appropriations into two articles: Article 22, *Capital Equipment and Infrastructure* and Article 23, *Studies and Initiatives*. Each of these articles is comprised of several components (A – F) and (A-E) respectively, which may be moved as a group, or individually within each article. Any component of the article may be amended. Summaries have been included for each component of the articles.

ARTICLE 1 CHOOSE TOWN OFFICERS

(Majority vote required)

One Moderator for a one-year term

Two Board of Selectmen members, each for a three-year term

One Board of Health member for a three-year term

One Board of Health member to complete a one-year unexpired term

Two Library Trustees, each for a three-year term

Two Planning Board members, each for a three-year term

One A-B Regional School Committee member for a three-year term, effective May 19, 2014

One A-B Regional School Committee member for a three-year term, effective July 1, 2014

ACTION ON ARTICLE 1, May 19, 2014: Specimen Ballots and Cards of Instruction were posted as required by law. The Ballot Box was examined and found to be empty and in order, and the keys were held by the Constable. The Election Officials—all duly sworn in before beginning their duties—were Warden: Elizabeth Markiewicz; Constables: David Birt and Owen Neville; Clerk: Elizabeth Markiewicz; Tellers: Charlotte Priest, Ellen Landry, Jackie Crimins, Helen Argento, Janet Glidden, Mary Cobleigh, Kristin Hilberg, John Markiewicz, Abby Reip, Joan Rudenko, Barbara Birt and Jackie Cumming. The counters were Charlene Golden and Allison Markiewicz. The polls were opened at 7:00 a.m. and closed at 8:00 p.m. Out of 3,489 registered voters, there were 141 ballots cast, including 9 absenents, for a turnout of 4%. The count was completed at 8:30pm. The results of the election are as follows:

ARTICLE 2 RECEIVE REPORTS

(Majority vote required)

Mr. Amoroso moved to receive the reports of the Selectmen and other Town Officers, Agents and Committees as published in the 2013 Annual Town Report, and further, to hear and receive the reports as presented at Annual Town Meeting.

The Board of Selectmen recommends unanimously (5-0).

The Finance Committee recommends unanimously (6-0).

Action on Article 2: The motion carried.

Mr. Amoroso presented the Board of Selectman report.

Maria Neyland, Chair of ABRSC, presented the School Committee report, highlighting the savings realized by regionalization. Ms. Neyland also recognized the 40 year career of DR. Curtis Bates. He received a standing ovation.

Mike Coppolino, Acton member of ABRSC, presented the Regional School Study Committee report.

ARTICLE 3 SET SALARIES AND COMPENSATION OF ELECTED OFFICIALS

(Majority vote required)

Mr. Amoroso moved to fix the salaries and compensation of various elected officials for the fiscal year beginning July 1, 2014 as follows:

Selectmen	\$400.00 each member/year
Board of Health	\$166.67 each member/year
Tax Collector	\$64,087.27/year
Town Clerk	\$43,258.91/year
Constables	\$3.00 each copy/warrant posted
Planning Board Members	\$109.00 each member/year

The Board of Selectmen recommends unanimously (5-0).

The Finance Committee recommends unanimously (6-0).

This includes an annual increase to the Tax Collector of \$2,514 (4.1%) and an annual increase to the Town Clerk of \$1,697 (4.1%). All other salaries to elected officials remain the same.

Action on Article 3: The motion carried by majority vote.

ARTICLE 4 AMEND FY 2015 PERSONNEL CLASSIFICATION AND COMPENSATION PLAN
(Majority vote required)

Ms. Bak moved to amend the Classification and Compensation Schedule as printed in the Annual Town Meeting warrant under Article 4, to become effective July 1, 2014.

Summary

This article establishes the compensation ranges for all employees of the Town, except for those covered by collective bargaining agreement, personal contract or elected officials. The rates shown for these latter categories have been included for informational purposes only.

The Personnel Board recommends unanimously (5-0).

The Personnel Board recommends amending the Classification and Compensation Schedule to provide for a 1.25% COLA over the FY 2014 Schedule described in Article 4 of the Special Town Meeting; employees would be placed on the appropriate step.

The Board of Selectmen recommends (4-1).

The Board of Selectmen and Personnel Board held a public hearing on March 17 on the proposed Classification and Compensation Schedule in FY 2015. The Board of Selectmen recommends for the reasons mentioned in the summary above.

The Finance Committee recommends unanimously (6-0).

This article implements the new Personnel Classification and Compensation plan. This provides for a 1.25% COLA increase over FY2014 with a 2.5% step increase where appropriate.

Mr. Raad asked about page 21. He questioned the police salary. Ms. Bak said that the chief's salary was not part of the Personnel plan and is listed for informational purposes only.

Carol Driscoll asked to hear the one selectmen not in favor. MR. Gorman said he had significant disagreements with job classifications

Channing Wagg said he had concerns about being asked to vote on classification levels without enough information. Need the framework behind the findings of the study.

In response to MR. Wagg, Mr. Suleiman said the study is available on the town website. He also pointed out that the Bos had public hearings for this purpose.

Action on Article 4: Motion carried by majority vote.

ARTICLE 5 TOWN OPERATING BUDGET

(Majority vote required)

Dilip Subramanyam, FinCom chair, moved that the Town raise and appropriate the sum of

**Seventeen Million Nine Hundred Twenty-Two Thousand Seven Hundred Ninety-One Dollars
(\$ 17,922,791)**

for the operations and expenses of the Town during the fiscal year beginning July 1, 2014, the purposes for which funding are set forth in the Department Account Numbers 114 through 945, and any subheadings included under said account numbers, as printed in Article 5 of the Annual Town Meeting warrant, under the heading FY2015 Budget,

except for Total Salaries, Department #175 – Planning Board, which has been reduced to **\$ 64,856**

The Finance Committee recommends unanimously (6-0).

Mr. Subramanyam presented the Finance Committee report.

Mr. Fallon went through the budget line-item by line-item. He pointed out that Line 162 Planning Board was reduced.

Mr. Raad asked to discuss line item 210-Police. Vince said Chief's new contract a driver behind large percentage increase in the salary line. He said that raise was justified in order to retain a highly valued employee. Mr. Raad asked about the increase: 115K in year 1, year 2 117k and then 120K in third year. Mr. Raad asked for the percentage increase. Vince said 11.7% increase in first year. Mr. Raad said he was against such a large raise for any employee. Mr. Amoroso said that the BOS wanted to see where our salaries for our department heads were vs. other towns. Police chief salary was 14.9% below midrange. BOS wanted to retain valued employees which meant being in line with the market.

Mr. Raad felt this was a bad approach.

ARTICLE 10 AUTHORIZATION TO DISPOSE OF REAL PROPERTY - 70 -72 STOW ROAD

(Two-thirds majority vote required)

Les Fox moved to transfer the care, custody, management and control of those parcels of land and the improvements thereon located at 70 and 72 Stow Road, consisting of approximately 13.5 acres, and depicted on Town Tax Maps as Map 6, Block 4, Lot 166 1.0 and Map 10, Block 4, Lot 207 1.0, which property was conveyed to the Town and is more particularly described in the deed recorded with the Middlesex Registry of Deeds, Southern District, in Book 56124, Page 151, from the Boxborough Housing Board for such purposes as such land is presently held, to the Board of Selectmen for the purpose of conveyance, and further to authorize the Board of Selectmen to convey all or a portion of such land or interests in such land for affordable housing purposes upon such terms and for such consideration as the Selectmen deem appropriate, which shall include the execution of a satisfactory development agreement and the reservation of rights in the property, including an affordable housing restriction, and to enter into all agreements and take all other actions necessary or appropriate to carry out this transaction.

The Board of Selectmen recommends unanimously (5-0).

The purpose of this article is to authorize the Board of Selectmen to dispose of the Stow Road property as described below, when all is ready. We expect that the process outlined below will be underway before the next annual town meeting, hence the need for prior approval at this time so that development can proceed without hindrance.

Background:

In December 2010, the Boxborough Housing Board (BHB) purchased approximately 13.5 acres of land at 70 - 72 Stow Road. The BHB acquired the property with funds from Boxborough's Affordable Housing Trust (BAHT). The property will provide affordable housing in Boxborough, in accordance with requirements developed by the town.

The Board of Selectmen formed the ad hoc Stow Road Concept Development Committee (SRCDC) early in 2012 to gather community input on affordable housing preferences and recommend the best development option for the property.

The SRCDC completed its fact-finding and public outreach work in the fall of 2013. The committee recommended a community of diverse housing styles that will provide accessible housing to seniors and affordable housing to first-time homebuyers. The community will not be age-restricted, and will feature designs in which seniors or handicapped persons can easily live, such as single-story ranch homes. The designs will stress methods of construction to reduce cost of ownership, such as low-maintenance materials and energy efficiency.

The Selectmen support the committee's recommendations and applaud their efforts to bring forward a concept for town-sponsored affordable housing aligned to Boxborough's needs and preferences.

With the assistance of Mass Housing Partnership, the SRCDC has prepared a Request for Proposals (RFP) for prospective developers. The developer selected via the RFP process will purchase the property and carry out the actual development, in accordance with the terms of a contract with the town.

The BAHT expects to recoup a substantial portion of its original land acquisition cost. The RFP specifies home ownership housing so that in the end, Boxborough will not own any of the units.

Although the property was acquired with BAHT funds without need of Town Meeting authorization, the land is now an asset of the town, held by and through the Boxborough Housing Board. By law, town meeting must approve of the disposition of the property by conveyance to the developer. This will be done in accordance with a development contract and associated deed riders on the affordable units. The contracts and conveyance documents will be approved by the Board of Selectmen pursuant to recommendations by counsel. The Selectmen will convey the property only if they are satisfied that all is in order.

The Housing Board recommends unanimously and will provide additional information at town meeting.

Mr. Fox, on behalf of the Board of Selectmen and the Housing Board, made a presentation explaining the Stow Road project in more detail and the reasons for transferring the custody of the property from the Housing Board to the Board of Selectmen. He said that the town would be looking for “friendly 40B” proposals.

The Finance Committee recommends unanimously (5-0).

Channing Wagg, member of the Affordable Housing Trust, spoke in favor of the motion. He was pleased that there was going to be an effort to have distinctive architecture and that affordable housing needs were being addressed.

Ginnie Haskins, Summer Road, said that she lives in affordable housing. She suggests that the town not go for the cheapest bid. She loves where she lives but points out that many things were not up to code or inspected by the building inspector.

William Stephenson, 116 Russet Lane, thought the language in the warrant was vague. He encouraged BoS and HB to seek buy-in from the community in the future as well as the project gets underway. Would like to see information outreach. Mr. Fox said they intended to seek input.

Francie Nolde, Sargent Rd., asked what kind of land it was? Uplands. How many homes? Mr. Fox said they are going to ask the developers for ideas. Some single but also perhaps multi-family units. 25-30 units are estimated. What about price range? Deed restricted units must meet the state criteria for affordability. Affordable units will be much less than \$250K. What about water? Mr. Fox said that will have to be taken care of.

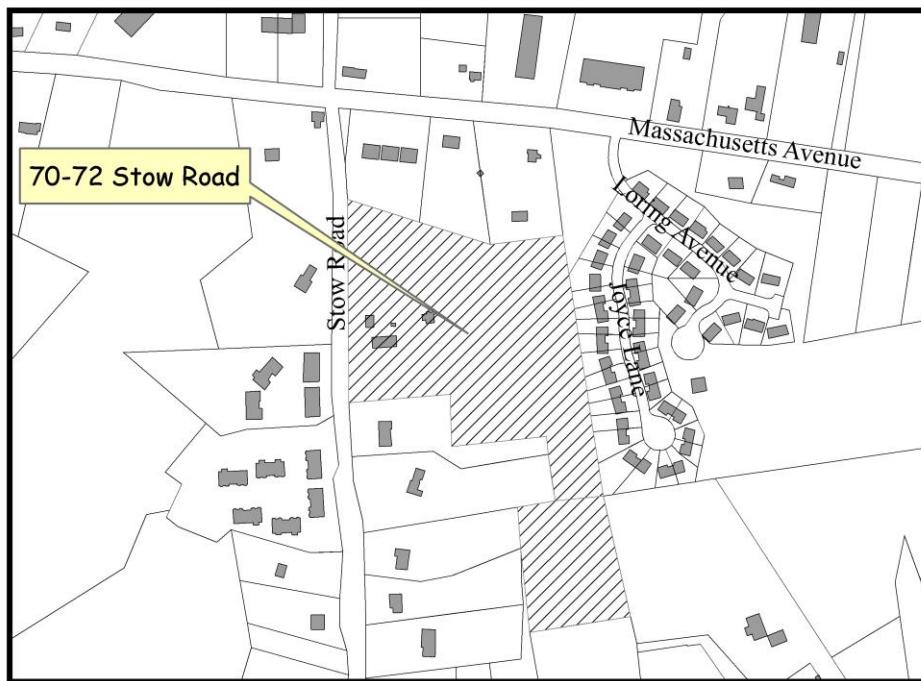

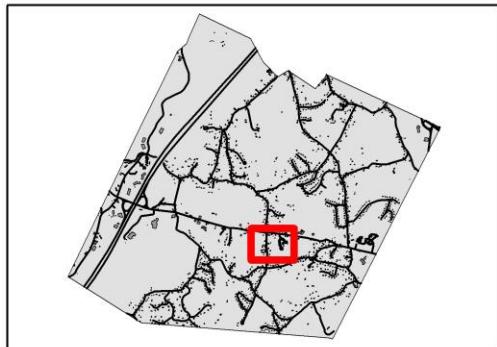

Walter Van Roggen, Patch Hill Rd., asked what it means to have the BOS be in control of the property? Mr. Fox said that a simple majority vote would be sufficient to make a decision.

Michael Toups, Flagg Hill Rd., wanted to know how the RFP process works. Mr. Fox said there will be a detailed evaluation matrix which will guide developers in working up a proposal and said there would be opportunity for back and for the negotiating. Mr. Toups said that it would be important to develop the matrix carefully.

Becky Neville moved the question.

Motion to vote now: motion carried by 2/3 majority as declared by the moderator.

Action on Article 10: motion carried by 2/3 as declared by the moderator.

Mr. Amoroso moved to approve the fiscal consent agenda, articles 11 through 21, except for Article 18 (Departmental Revolving Funds Re-Authorization), as printed in the Annual Town Meeting warrant under articles 11 through 17 inclusive, and articles 19 through 21 inclusive, to be appropriated as printed in the “May 2014 Motions” handout.

ARTICLE 11 TRANSFER TO STABILIZATION FUND**

(Two-thirds vote required)

To see if the Town will vote to raise and appropriate, transfer from available funds, or otherwise provide the sum of One Hundred Thousand Dollars (\$100,000), more or less, for the Stabilization Fund, or take any other action relative thereto.

The Finance Committee recommends unanimously (5-0).

The Town has a comprehensive Capital Plan that allows a predictable estimate of future capital requirements across all areas of the Town. Capital needs can be paid for by one or more of the following – free cash, stabilization fund or borrowing. The current balance of the stabilization fund is \$1.1M. Capital funding requests for next year and cumulatively for the next three years are currently projected at \$1.5 million and \$1.9 million, respectively. The FinCom believes it is prudent to continue to reserve funds to support these upcoming requirements. A healthy stabilization fund protects the Town and is a strong factor in the Town’s AAA bond rating from S&P. Expenditures from the Stabilization Fund require a higher level of scrutiny (2/3 vote of ATM) to utilize these funds which is appropriate for large expenditures.

The Board of Selectmen recommends unanimously (5-0).

This article continues our recent practice of making regular contributions to the Town’s Stabilization Fund. A healthy balance in the Stabilization Fund (currently ~ 5% of yearly expenditures) is one of the attributes considered by bonding agencies in setting our bond rating and determining the cost to the Town of borrowing money.

Action on Article 11: The article was approved as part of the Consent Agenda.

ARTICLE 12 TRANSFER TO OTHER POST-EMPLOYMENT BENEFITS (OPEB) TRUST FUND**

(Majority vote required)

To see if the Town will vote to raise and appropriate, transfer from available funds, or otherwise provide the sum of One Hundred Thousand Dollars (\$100,000), more or less, for the Other Post-Employment Benefits Liability Trust Fund established under Article 25 of the 2010 Annual Town Meeting, and authorized by M.G.L. Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or take any other action relative thereto.

Summary

On May 11, 2010, Town Meeting authorized the establishment of an OPEB Trust Fund to provide a mechanism for housing the monies to fund the actuarial liability for retiree benefits. A transfer of seventy-five thousand was initially authorized by Town Meeting in 2012 to begin funding that liability. Last year, we continued that funding by transferring One Hundred Thousand Dollars to the OPEB Trust Fund. This transfer would enable the town to continue to fund the liability.

The Board of Selectmen recommends unanimously (5-0).

As explained in the summary, the amount proposed in this article will continue the effort started in 2012 to make a small contribution to fund our liabilities for retirees' healthcare benefits. The town's FY 2015 unfunded liability, as reported in the June 30, 2011 actuarial study, amounts to \$11,618,986 and the proposed amount is a small percentage of our total obligations. Not funding this obligation might, in the future, affect our Standard and Poor's AAA credit rating.

The Finance Committee recommends unanimously (5-0).

The Town established an OPEB ("Other Post-Employment Benefits") Trust Fund in 2010 and the current balance is \$177,027. The Town provides retired employees with healthcare and life insurance benefits and costs are accounted for on a "pay as you go" basis. While the Town is not legally required to prefund these future liabilities, the FinCom believes it is prudent to set aside reserves to begin to address the issue. Bonding authorities look favorably on setting aside reserves to fund the OPEB liability. Our initial actuarial study was completed in fiscal 2009 and updated in fiscal 2012 and provided the Town with a detailed analysis of the unfunded liability for both active and retired employees. The amount of the liability was \$11,618,986. The amount we propose to set aside is slightly under 1% of that amount, or \$100,000.

If this item had to be appropriated, it would add \$0.11 per \$1,000 of valuation, or \$54.04 for the median house.

Action on Article 12: The article was approved as part of the Consent Agenda.

ARTICLE 13 GASB 45 ACTUARIAL CONSULTANT**

(Majority vote required)

To see if the Town will vote to raise and appropriate, transfer from available funds, or otherwise provide the sum of Nine Thousand Five Hundred Dollars (\$9,500), more or less, for the purpose of hiring a consultant to provide an actuarial study for continued compliance with GASB 45, or take any other action relative thereto.

The Board of Selectmen recommends unanimously (5-0).

The Government Accounting Standard Board (GASB) requires that government entities disclose the potential cost of post-retirement benefits as a liability in their financial statements. Under the GASB 45 standards, government employers must account for, and report, the annual cost of employee benefits in the same way they report pensions. As a result, the annual benefits costs for most employers will be based on actuarially determined amounts rather than in the “pay-as-you-go” method. Therefore, the Town must hire a consultant to provide an actuarial study of the benefit cost. The town is required to update the study every three years. An actuarial study was last completed in 2012.

The Finance Committee recommends unanimously (5-0).

The actuarial study is required every three years by GASB (the Government Accounting Standards Board). GASB requires that government entities disclose the potential cost of post-retirement benefits as a liability in their financial statements. In order to calculate our OPEB liability, the Town will need to hire a consultant to provide an actuarial study.

If this item had to be appropriated, there would be a financial impact to the town of \$0.01 per thousand or \$5.13 for the median house.

Action on Article 13: The article was approved as part of the Consent Agenda.

ARTICLE 14 TRANSFER AND APPROPRIATION OF BLANCHARD MEMORIAL SCHOOL REVOLVING FUND BALANCES**

(Majority vote required)

To see if the Town will vote to authorize the Town Treasurer in consultation with the Town Administrator to appropriate and transfer the balances in all revolving funds and the lunch fund currently maintained by the Blanchard Memorial School existing on or after July 1, 2014, to the Acton Boxborough Regional School District to be held (together with any interest thereon) by the District as a separate account and expended by the District at the Blanchard Memorial School for the same purposes as the prior revolving fund or lunch fund, as applicable, all in accordance with the Inter-Municipal Agreement between the Town and the District, a copy of which is on file with the Town Clerk, or take any other action relative thereto.

Summary

These funds include: Student Activities, School Choice, School Lunch, Extended Day Program, Full Day Kindergarten Program, Blanchard Early Childhood Program and School Meals Tax.

The Boxborough School Committee will provide a recommendation at Town Meeting.

The Board of Selectmen recommends unanimously (5-0).

The Board of Selectmen recommends the transfer of any unexpended balances in Blanchard's revolving and lunch funds to the Acton-Boxborough Regional School District. These funds will continue to be used for the benefit of the Blanchard Memorial School students on or after July 1, 2014.

The Finance Committee recommends unanimously (5-0).

Action on Article 14: The article was approved as part of the Consent Agenda.

ARTICLE 15 TRANSFER OF BLANCHARD MEMORIAL SCHOOL GIFTS AND GRANTS TO THE ACTON-BOXBOROUGH REGIONAL SCHOOL DISTRICT**

(Majority vote required)

To see if the Town will, subject to all applicable terms and conditions of each grant and gift, and to any necessary judicial or other governmental approvals, vote to appropriate and authorize the Town Treasurer, in consultation with the Town Administrator, to transfer on or after July 1, 2014, to the Acton-Boxborough Regional School District ("District") the balance (if any) at the end of fiscal year 2014 of each gift and grant fund listed on the corresponding Exhibit to the Inter-Municipal Agreement between the Town and the District, each such amount to be held (together with any interest thereon) by the District pursuant to M.G.L. c. 44, § 53A, as a separate account and expended by the District for the same purpose as the purpose of the prior gift or grant to the Town, or take any other action relative thereto.

Summary

The gifts include the Blanchard Educational Gift Fund and the Patricia A. Hall Scholarship.

The grants include SPED 94-192 (FY 14); Title IIA Teacher Quality (FY 14); Title I Program (FY 14); SPED Early Childhood (FY 14); RTTT Grant (FY 14); SPED Program Improvement (FY 14); SPED ECP Program Improvement (FY14); LEED Grant; Mass Cultural Council Grant (Stars Program) and Education Circuit Breaker.

Additionally there may be a sum of money in the Blanchard School's Insurance Proceeds account.

The Boxborough School Committee will provide a recommendation at Town Meeting.

The Board of Selectmen recommends unanimously (5-0).

As with Article 14, this transfer is required as a result of the expansion of the Region and will provide for the transfer of gifts and grants to be used as the same purpose of the prior gift or grant to the Town.

The Finance Committee recommends unanimously (5-0).

Action on Article 15: The article was approved as part of the Consent Agenda.

ARTICLE 16 TRANSFER UNEXPENDED BALANCES IN PRIOR YEAR ARTICLES**

(Majority vote required)

To see if the Town will vote to appropriate and transfer the unexpended balances at June 30, 2014 in the following prior year articles for projects not yet completed by June 30, 2014 to the Acton Boxborough Regional School District to be expended by the District at the Blanchard Memorial School for the same purposes as authorized by Town Meeting, or take any other action relative thereto.

ATM 2011, Article 21, Blanchard Memorial School - Fire Safety Engineering Consultant

ATM 2012, Article 24, Capital Improvements – Repair and Replace Blanchard Memorial School’s Exterior Mortar and Masonry

ATM 2012, Article 26, Capital Improvements - Replace Current Gym & Library Lighting at Blanchard Memorial School

The Boxborough School Committee will provide a recommendation at Town Meeting.

The Board of Selectmen recommends unanimously (5-0).

This article provides for the transfer of balances for work still to be completed under the prior year Town Meeting authorizations noted above.

The Finance Committee recommends unanimously (5-0).

Action on Article 16: The article was approved as part of the Consent Agenda.

ARTICLE 17 RESCIND UNUSED BORROWING AUTHORITY**

(Majority vote required)

To see if the Town will vote to rescind the unused borrowing authority in the amount of One Hundred Seventy-Nine Dollars and Eighty-Nine cents (\$179.89) granted under Article 17 of the May 2013 Annual Town Meeting (Replacement of Two HVAC Systems – Police Station), or take any other action relative thereto.

The Board of Selectmen recommends unanimously (5-0).

This article represents a housekeeping chore to clean up a small difference between the Town Meeting approved borrowing authority for a warrant article and the actual amount borrowed. The existence of unused borrowing authority on the Town's books represents a potential liability, which may in extreme cases adversely affect our bond rating.

The Finance Committee recommends unanimously (5-0).

Approval of this article will remove the Town's ability to borrow for this item since it is no longer necessary.

Action on Article 17: The article was approved as part of the Consent Agenda.

ARTICLE 18 DEPARTMENTAL REVOLVING FUNDS RE-AUTHORIZATION**

(Majority vote required)

Jim Gorman moved to reauthorize departmental revolving accounts previously established by vote of the Town under Massachusetts General Laws, Chapter 44, Section 53E ½, as printed in the Annual Town Meeting warrant under Article 18 with the following exceptions:

Remove Firearms Permits from the list of Departmental Revolving Funds, and

Increase the FY 15 Spending Limit for the Senior Van from Four Thousand Dollars (\$4,000) to Thirty-Two Thousand Dollars (\$32,000).

Revolving Fund	Authority to Spend Funds	Revenue Source	Use of Funds	FY 15 Spending Limit	Disposition for FY 15 Fund Balance

Field Permitting Fees	Town Administrator	Field permitting fees	Management and care of fields and permit administration	\$10,000	Carryover to FY 2016 to pay for expenses not yet completed

The Board of Selectmen recommends unanimously (5-0).

This is another housekeeping article, which renews the authority of the named departments to collect fees and disburse funds up to the indicated limit. These revolving funds were set up for the purpose of carrying out the departments' normal functions and defraying the routine, predictable expenses associated therewith.

The Finance Committee recommends unanimously (5-0).

Action on Article 18: The motion carried unanimously.

ARTICLE 19 ESTABLISH REVOLVING FUND FOR GENERAL RECREATION PROGRAMS**

(Majority vote required)

To see if the Town will vote pursuant to the provisions of MGL c. 44, § 53E1/2 to authorize a revolving fund for purposes of receiving fees for general programs sponsored by the Recreation Commission and paying expenses directly attributable to those programs up to Five Thousand Dollars (\$5,000), to be under the direction of the Town Administrator who shall approve all such expenditures; and further to provide that the balance remaining in the fund at the end of fiscal year 2015 be carried over into fiscal year 2016 to pay for expenses not yet completed, or take any other action relative thereto.

Summary

The revolving fund would serve as a repository for fees collected for new fitness-related programs (e.g., ski bus, exercise classes) as well as possible trips (e.g. Tanglewood, New England winery tour). The Recreation Commission is hoping to be able to offer new programs in the new fiscal year, i.e. after July 1, 2014. The cost of such programs is variable, and could include cost of instructors, transportation, equipment and venue rental. These would be paid through the revolving fund and a small appropriation that has been requested through the Recreation Commission budget.

The Recreation Commission recommends.**The Board of Selectmen recommends unanimously (5-0).**

The Board of Selectmen recommends the establishment of a revolving fund for general recreational programs for the reasons mentioned in the summary above.

The Finance Committee recommends unanimously (5-0).

This article will create a revolving fund to be used to receive fees for programs and pay for services. The Town Accountant supports the establishment and use of the fund for the purposes stated.

Action on Article 19: The article was approved as part of the Consent Agenda.**ARTICLE 20 COST OF BOND ISSUANCE****

(Majority vote required)

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow or otherwise provide the sum of Forty Thousand Dollars (\$40,000), more or less, for the purpose of paying the cost of issuance for borrowing authorized by vote of Town Meeting in 2012 and 2013 as well as for borrowing authorized at Town Meeting in 2014, or take any other action relative thereto.

The Board of Selectmen recommends unanimously (5-0).**The Finance Committee approves unanimously (5-0)**

The bond issue will be used to finance a combination of warrant articles approved in the 2012 and 2013 ATM as well as selected warrant articles in this financial year. Estimated cost has been provided by Eastern Bank. Expected rate and timing remain to be determined.

Action on Article 20: The article was approved as part of the Consent Agenda.

ARTICLE 21 EXPANDED VETERANS SERVICES**

(Majority vote required)

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow or otherwise provide the sum of Three Thousand Dollars (\$3,000), more or less, to provide additional hours for the Veterans Service Officer and/or contract labor hours for the services of a part-time Assistant Veterans Service Officer, or take any other action relative thereto.

Summary

These additional hours for the present Veterans Service Officer or a part time assistant are intended to provide public outreach and assistance to veterans for 3 – 5 hours per week for a trial period.

The Board of Selectmen recommends unanimously (5-0).

The historical budget allocation on Boxborough of approximately \$1,000 per year provides reactive services to veterans who request assistance, and is the lowest in the area. The proposed appropriation of \$3,000 will be used to fund additional hours for the present Veterans Service Officer and/or hours for a part time assistant to perform such outreach functions as: assisting veterans in applying for benefits, coordinating services with the VA medical system, processing unemployment claims, developing local warrior transition programs, and performing other similar outreach activities. The initial level of 3-5 hours per week will be evaluated as we go forward, to better determine the needs of Boxborough veterans and how the Town can best address those needs.

The Finance Committee recommends unanimously (5-0).

Action on Article 21: The article was approved as part of the Consent Agenda.

Mr. Amoroso moved to postpone consideration of 22 and 23.

He said that the articles contain items that could be funded by CPA and want to wait until CPA vote is taken.

The motion to postpone consideration of Articles 22 and 23 carried by majority vote.

ARTICLE 24 CAPITAL IMPROVEMENT - ASPHALT PAVING – TOWN HALL, DPW AND HISTORICAL MUSEUM

(Two-thirds vote required)

Mr. Suleiman moved that the sum of Two Hundred Seventy-Five Thousand Dollars (\$275,000) be and hereby is appropriated for the purpose of paying costs of replacing asphalt paving at the Town Hall, DPW, and Historical Museum, including associated regrading and drainage work, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Summary

The paving at these three facilities is in very poor condition, rendering travel and maintenance difficult. More importantly, the buckling of the Town Hall parking lot causes a safety risk to those walking from their vehicles to the building.

At each location, significant drainage improvements should be made to redirect sheet flow away from the buildings. This project would enable us to regrade these driveways and parking lots to better manage storm water, to keep it away from the buildings, while also providing a smooth and sound driveway/parking area.

Breakdown of cost by location is as follows:

Town Hall	\$115,000
-----------	-----------

DPW Yard	110,000
Historical Museum	50,000

The Board of Selectmen recommends unanimously (5-0).

The above mentioned facilities are in poor condition and in need of paving and drainage improvements. Delaying any repair to these facilities might be more costly and will be unsafe for those using the parking lots.

The Finance Committee recommends unanimously (5-0).

Action on Article 24: The motion carried unanimously.

ARTICLE 25 CAPITAL EQUIPMENT ACQUISITION – REPLACEMENT OF AIR-PAKS – FIRE DEPARTMENT

(Two-thirds vote required)

Mr. Gorman moved that the sum of Two Hundred Thirty-Two Thousand Dollars (\$232,000) be and hereby is appropriated for the purpose of paying costs of acquiring self-contained breathing apparatus (air-paks) for the Fire Department, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

The Board of Selectmen recommends unanimously (5-0).

We are required by US DoT regulation to replace all of the high pressure air cylinders in the Fire Department's self-contained breathing apparatus (SCBA or Air Paks) by mid 2015 due to service life limitations. Furthermore, the Board of Selectmen believes that it is essential for a number of reasons to replace at this time the Air Paks themselves, as well as the high pressure bottles. The current Scott Air Paks are at least 15 years old and do not meet current NFPA safety requirements. Our Air Paks have aged beyond the point at which it is even possible to upgrade the legacy systems to current safety standards. New SCBA systems are required to have trackers and heads-up displays, which free the firefighter from the distraction of checking life support status and reporting position while they are occupied by more pressing matters. Failing to provide NFPA compliant Air Paks places our firefighters at undue risk and exposes the Town to potential liability in the event of a serious casualty. The Fire Department is applying for federal grant funds to cover the cost of the SCBA replacement and, should the grant be awarded, the cost to the Town will be reduced to the specific grant co-pay requirement. In order to ensure timely replacement of the Air Paks, we must however appropriate the full cost at Annual Town Meeting.

The Finance Committee recommends unanimously (5-0).

The federal government mandates replacement of these air packs and oxygen bottles every 15 years. We are at the end of the use cycle for this critical life support equipment for our firefighters.

William Stephenson, Russet Lane, asked to have the bidding process explained. The Fire Chief Randy White provide the explanation.

Francie asked the number of AirPaks and if everyone got one. Was there one for every fire fighter. Yes
Gary K asked if it was in capital plan. Yes

Action on Article 25: The motion carried unanimously.

ARTICLE 26 CAPITAL EQUIPMENT ACQUISITION – PUBLIC SAFETY RADIO SYSTEM UPGRADE

(Two-thirds vote required)

Mr. Fox moved that the sum of Four Hundred Fifteen Thousand One Hundred Ninety-Four Dollars (\$415,194) be and hereby is appropriated for the purpose of acquiring an integrated communications network for the Police and Fire Department, and prepare the Public Works Department for a future upgrade, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

The Board of Selectmen recommends unanimously (5-0).

The current police and fire department radio systems are aged and problematic. Their older technology using leased telephone lines to connect to remote transmitters and repeaters has been problematic, unreliable and prone to failure. The police and fire radios operate on different bands without interoperability between departments. Coverage throughout the town is spotty with a number of dead zones. The situation is even worse with the older DPW truck radios.

In 2013 Town Meeting appropriated funds to conduct a study to specify a new integrated, interoperable town-wide public safety radio communications system to resolve current operational problems. The study has been completed and reviewed by the Police and Fire Chiefs and Board of Selectmen and judged to be thorough and complete. This article will fund implementation and deployment of the recommended systems for Police and Fire and the minimum required preparation work for the DPW system, which will be deferred until the next fiscal year.

The new system includes upgrade of the existing two towers with new UHF/VHF radio transmitter/repeaters. To improve coverage and eliminate dead zones, a third transmitter/repeater unit will be installed on the light pole at the museum on Middle Road. The three units will operate as a redundant simulcast communications infrastructure. The system upgrade also includes new equipment for dispatch consoles, control stations, point-to-point links and radio transmitters, receivers, antennas, voters, repeaters and other necessary equipment. The cost includes licensing, engineering and site work. Features of the new system include:

- Capability for the dispatcher to join dissimilar frequencies and bands together so that one department can speak directly to another, locally or regionally. This is important for multi-town or jurisdiction emergency responses.
- Whether it is in basement of house or within steel framed commercial site, emergency personnel will be able to communicate from a portable radio while away from their response vehicle. They will no longer be dependent on unreliable and problematic vehicle repeaters.
- Communications will no longer be interrupted by faulty or downed telephone lines.

Deployment of the new system will provide a much-needed improvement to the reliability and capability of radio communications for Boxborough's public safety operations.

The Finance Committee recommends unanimously (5-0).

Note we approved the hiring of a consultant last year to study the deficiencies in our public safety communications systems. After attending the consultant's presentation, we concur with the recommendations of the BoS and Police/Fire to improve our systems with expenditure of \$415,194.

Walter van Roggen asked if the Public Works department should get these. Felt that the DPW not in need of this type of expensive equipment

John Neyland asked if consultant addressed the amortization period. Chief said 20 years.

Gary K. the tax impact. Mr. Sub responded.

A resident asked if any grants were explored. Yes said Chief Ryder to no avail

Hugh Fortmiller asked about the siting of the tower on Middle Rd. Least shadowing—antennas will be added to telephone poles.

ARTICLE 8 ACCEPTANCE OF THE COMMUNITY PRESERVATION ACT - CH. 44B §§3 – 7
(Majority vote required)

Mr. Amoroso moved to accept Sections 3 to 7, inclusive of Chapter 44B of the General Laws, known as the Massachusetts Community Preservation Act, by approving a surcharge on real property for the purposes permitted by said Act, including the preservation or rehabilitation of historic resources including historic buildings, artifacts and documents; the creation and support of community housing; the acquisition of open space such as land for the protection public drinking water supplies, wetlands, farm land, forests, marshes, scenic areas, wildlife preserves and other conservation areas, and the creation or rehabilitation of outdoor recreational facilities including parks, playgrounds and athletic fields; to approve a property tax surcharge in the amount of one percent (1%) of the taxes assessed annually on real property which shall be dedicated to the fund, such surcharge to be imposed on taxes assessed for fiscal years beginning on or after July 1, 2014; and to exempt from the surcharge the following: property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the town, as defined in Section 2 of Chapter 44B of the General Laws.

The Board of Selectmen recommends (4-1).

The Community Preservation Act (CPA) is a financial tool that would bring Boxborough matching funds from the state to help us preserve our history and open space, build or restore outdoor recreational facilities, and create affordable housing.

Massachusetts pays matching funds to CPA communities every year. Last year the match rate was 52% and 148 communities shared \$55 million.¹ Every community that borders Boxborough has accepted CPA and gotten matching funds. Since 2001 Stow has received \$3,363,271.² Last year Harvard got \$99,463.³ Some of this money came from Boxborough's tax dollars. We have never gotten any CPA money because we voted against it years ago.

Now we have a second chance. Boxborough regularly spends money on projects that would qualify for CPA matching funds. This Warrant contains \$164,347 worth of them, or about 1% of our real estate tax levy. The Board of Selectmen believes it would be smart financial planning to accept the Community Preservation Act and approve a 1% surcharge on real property. The state's matching funds would give us a return on that investment much higher than we could otherwise achieve, and help us fund projects we would otherwise pay for entirely on our own. This could allow us to achieve a lower tax rate in the future than we could without the surcharge.

The Finance Committee does not recommend (4-1).

Opinion in favor of CPA – A minority of the FinCom supports the establishment of the CPA pursuant to the affirmative recommendations made by the BoS and petitioning parties. The CPA can be an effective long range planning tool to address the Town's spending needs, and provides an effective discount on projects funded in the allowable categories of open space, housing, recreation and historical preservation. Also, while the historical levels of the State match have ranged from 28% to 100%, the additional monies will help increase the purchasing power of our tax dollars.

Opinion not in favor - A majority of the FinCom did not support the CPA. Our primary reservations are as follows:

First, we view Proposition 2 ½ as the “bedrock” tool used to limit increases in property taxes. This framework has been in place since 1982. The CPA surcharge is a taxing mechanism that works outside of the Proposition 2 ½ framework, which will lead to higher property taxes paid by the residential and commercial taxpayers. Whether these additional taxes are spent in a fashion that most voters would approve is less than obvious.

Second, we like the current system of defining the item to be funded first and voting specific appropriations only after the item is debated at Town Meeting. The CPA collects the money first and offers the state matching funds as an effective discount or incentive on qualifying items, leading to a situation where we are deciding how to spend money already collected. Since the money is already "in the bank" so to speak, it will be easier to fund qualifying projects, even if they do not enjoy the widest support. We do not believe that it is in the Town's interest to lower the bar necessary to obtain approval for appropriations.

Third, we estimate that under the proposed 1% surcharge scenario, the CPA will generate approximately \$815k over the next five years and \$1.6 million over the next decade from Boxborough's taxpayers. As of the writing of this warrant, we have visibility for several “allowable uses” related to historic property and recreational uses over the next 12-18 months but these levels are far below \$800,000 to \$1.6 million figures. We believe that many taxpayers would prefer to keep this “revenue” in their own pockets. There are no doubt additional projects that will be proposed, some of great merit, but we are being asked to approve a program that requires a steady stream of qualifying projects totaling more than \$160K per year for it to be of benefit to Boxborough's taxpayers. We frankly doubt that such a stream of projects both qualifying and mustering a vast majority of voter support exists.

Lastly, there are other uncertainties worth noting. There is a state match and since the CPA was established that match has ranged from 28% to 100%, with the recent match being around 50%. There is no certainty as to the amount of future match, or, as we discovered with the Quinn Bill, that the state wouldn't divert the match.

Another important unknown is the potential for new and unforeseen spending priorities that may compete for our taxpayers' dollars. The FinCom would prefer to maintain flexibility for future planning purposes aligned to the Town Master Plan.

The Conservation Commission recommends (5-0).

Approving the Community Preservation Act (CPA) would provide Boxborough with matching funds from the State for the protection of open space, historic preservation, affordable housing, outdoor recreation and other CPA permitted projects that would otherwise be entirely paid for out of the Town's budget. Traditional revenue sources available to the Town are typically dedicated to the day-to-day operating needs of safety, health, schools, roads, maintenance, etc. Until the CPA was enacted, there was no steady source of state matching funds for the preservation of Boxborough's character and quality of life. There are numerous CPA qualified projects in our past and future that are of high value to the Town including previous land acquisitions by the Town for conservation purposes that would have qualified for CPA funds if they had been available to the Town. Regardless of the type of projects the Town may target for CPA funds, passing the CPA will reduce the actual cost to the Town.

The Boxborough Housing Board recommends.

ARTICLE 9 BYLAW TO ESTABLISH COMMUNITY PRESERVATION COMMITTEE

(Majority Vote Required)

Mr. Amoroso moved to adopt a general bylaw to establish The Community Preservation Committee as printed in the Annual Town Meeting warrant under Article 9, except

Section 2.4, delete "(not including land for recreational use)" after "open space", and

Section 7.2, revise to read "Each appointing authority shall make their appointments within thirty (30) days of the effective date of this bylaw."

and further to amend the Finance Committee Bylaw by inserting the words "Community Preservation Committee" in lines 4 and 10 of Section 1 of the Finance Committee Bylaw immediately after the words "Affordable Housing Trust" so that Section 1 will now read:

There shall be a Finance Committee, as authorized by the General Laws, Chapter 39, section 16, consisting of no less than five (5) and no more than nine (9) members, all of whom shall be registered voters of the Town. No appointed or elected official of the Town, except for a member serving on the Personnel Board, Capital Budget Committee, Affordable Housing Trust, Community Preservation Committee or a building or public works committee, shall be eligible to serve simultaneously on the Finance Committee. Commencing on the effective date of this bylaw, the Moderator shall appoint three (3) members each year for a term of three (3) years, the terms of said members to expire on the last day of June. No committee member shall serve for more than three (3) consecutive terms. Any member of said Committee who shall be appointed or elected to Town office or a committee or board other than the Personnel Board, Capital Budget Committee, Affordable Housing Trust, Community Preservation Committee or a building or public works committee shall forthwith upon his qualification in such office, and any member who shall remove from the Town shall upon such removal, cease to be a member of said Committee. Members absent from one-third of the regular meetings in any calendar year may be removed by a two-thirds vote of the other members, present and voting. Said Committee shall choose its own officers. The members of said Committee shall serve without salary.

CHAPTER 1: ESTABLISHMENT

- 1.1 There is hereby established a Community Preservation Committee, consisting of nine (9) voting members pursuant to M.G.L. Chapter 44B, §5(a).
- 1.2 With the exception of subsection c., which is appointed by the Planning Board, the members of the Committee shall be appointed by the Board of Selectmen as follows:
 - a. One member of the Conservation Commission as designated by such Commission.
 - b. One member of the Historical Commission as designated by such Commission.
 - c. One member of the Planning Board as appointed by such Board.

- d. One member of the Recreation Commission as designated by such Commission.
- e. One member of the Housing Board as designated by such Board.
- f. One member of the Agricultural Commission as designated by such Commission.
- g. One member to be designated by the Finance Committee (FC).
- h. Two members to be appointed by the Board of Selectmen (BoS).
- i. Each member of the Committee shall serve for a term of three years or until the person no longer serves in the position or on the board or committee as set forth above, whichever is earlier.
- j. For the first year, appointments will be staggered as follows:
 - i. Three at 1 year: Agricultural Commission designee; 1 BoS appointee; FC designee;
 - ii. Three at 2 years: 1 BoS appointee; Planning Board appointee; Recreation Commission designee;
 - iii. Three at 3 years: Conservation Commission designee; Housing Board designee; Historical Commission designee.

1.3 Should any of the officers, commissions, or boards who have appointment authority under this Chapter be no longer in existence for whatever reason, the Board of Selectmen shall appoint a suitable person to serve in his/her place.

1.4 Any member of the Committee may be removed for cause by his/her respective appointing authority after hearing.

CHAPTER 2: DUTIES

2.1 The Community Preservation Committee shall study the needs, possibilities and resources of the Town regarding community preservation pursuant to M.G.L. Chapter 44B. The Committee shall consult with existing municipal boards, including the Conservation Commission, the Historical Commission, the Planning Board, the Recreation Commission, the Agricultural Commission and the Boxborough Housing Board in conducting such studies. In its study of the needs, possibilities and resources of the Town regarding community preservation, the Committee shall review the Town's Capital Plan, maintained by the Finance Committee, and identify such overlap as may exist between Capital Plan prescriptions and community preservation proposals. As part of its study, the Committee shall hold one or more public informational hearing annually on the needs, possibilities and resources of the Town regarding community preservation possibilities and resources, notice of which shall be posted publicly and published for each of two weeks preceding a hearing in a newspaper, or equivalent publication, of general circulation in the Town.

2.2 The Community Preservation Committee shall make recommendations to Town Meeting for the acquisition, creation and preservation of open space, for the acquisition, preservation, rehabilitation and restoration of historic resources, for the acquisition, creation, preservation, rehabilitation and restoration of land for recreational use, for the acquisition, creation, preservation and support of community housing and for the rehabilitation or restoration of open space and community housing that is acquired or created as provided in this section. With respect to community housing, the Community Preservation Committee shall recommend, wherever possible, the reuse of existing buildings or construction of new buildings on previously developed sites. The Committee shall, to the degree practicable in its recommendations to

Town Meeting, conform its proposed expenditures to the long term capital spending profile outlined in the Town's Capital Plan, so as to moderate fluctuations in the Town's direct and debt service spending.

- 2.3 The Community Preservation Committee may include in its recommendation to Town Meeting a recommendation to set aside for later spending funds for specific purposes that are consistent with community preservation but for which sufficient revenues are not then available in the Community Preservation Fund to accomplish that specific purpose or to set aside for later spending funds for general purposes that are consistent with community preservation.
- 2.4 In every fiscal year, the Community Preservation Committee must recommend either that the Town Meeting spend or set aside for later spending, not less than 10% of the annual revenues in the Community Preservation Fund for each of (a) open space ~~(not including land for recreational use)~~, (b) historic resources, and, (c) community housing.

CHAPTER 3: REQUIREMENT FOR A QUORUM

- 3.1 The Community Preservation Committee shall comply with the provisions of the Open Meeting Law, M.G.L. c.39 §23B. The Community Preservation Committee shall not meet or conduct business without the presence of a quorum. A majority of the members of the Community Preservation Committee shall constitute a quorum. The Community Preservation Committee shall approve its actions by majority vote.
- 3.2 After receiving such recommendations from the Community Preservation Committee, Town Meeting shall then take such action and approve such appropriations from the Community Preservation Fund as set forth in section 7 of the Act, and such additional appropriations as it deems appropriate to carry out the recommendations of the Community Preservation Committee.

CHAPTER 4: COST ESTIMATES

- 4.1 Recommendations to Town Meeting shall include their anticipated costs and strategies for longer term financing within the provisions of the Community Preservation Act.
- 4.2 Town Meeting may appropriate money in any year from the Community Preservation Fund to the Affordable Housing Trust Fund.

CHAPTER 5: AMENDMENTS

- 5.1 This Bylaw may be amended from time to time by a majority vote of the Town Meeting, provided that the amendments would not cause a conflict to occur with M.G.L. Chapter 44B.

CHAPTER 6: SEVERABILITY

- 6.1 In case any section, paragraph or part of this Bylaw be, for any reason, declared invalid or unconstitutional by any court of last resort, every other section, paragraph or part shall continue in full force and effect.

CHAPTER 7: EFFECTIVE DATE

- 7.1 This Bylaw shall take effect upon the acceptance by the voters at the November 4, 2014 State Election and approval by the Attorney General of the Commonwealth, and after all requirements of M.G.L. c. 40 §32B have been met.
- 7.2 ~~After notification of Attorney General's approval has been received,~~ Each appointing authority shall make their appointments within thirty (30) days ~~of the effective date of this bylaw.~~

The Board of Selectmen Recommends (4-1).

As discussed in our recommendation to Article 8, the Board of Selectmen believes it would be smart financial planning to accept the Community Preservation Act so we can get matching state funds that would help us pay for projects we would otherwise pay for entirely on our own. We do that by accepting The Community Preservation Act (CPA), creating a local Community Preservation Fund (CPF) to hold money we collect from a surcharge on real property plus matching state funds, and establishing a Community Preservation Committee (CPC). The CPC helps the Town decide how to spend funds in the CPF by making recommendations on specific projects that we then vote on at Town Meeting.

The motion under this article will include an amendment to the Finance Committee Bylaw to allow for a Finance Committee member to serve on the Community Preservation Committee. The Selectmen will have held a public hearing on the proposed amendment prior to Town Meeting.

The Finance Committee will defer its recommendation until Town Meeting.

The Conservation Commission recommends (5-0).

Article 9 proposes the Bylaw that is necessary to establish The Community Preservation Committee needed to administer the CPA if passed as described under Article 8.

Mr. Neville moved to amend Article 9 as follows:

In 1.1, strike “nine (9)” and insert “seven (7)”

In 1.2g, strike the current text and insert “One member to be appointed by the Board of Selectmen (BOS).”

In 1.2h, strike the current text.

In 1.2, the current “i” becomes “h” and the current “j” becomes “i”

In the new 1.2i, line i, strike “Three” and insert “Two” and strike “FC designee;”

In the new 1.2i, line ii, strike “Three” and insert “Two” and strike “1 BoS appointee;”

ARTICLE 7 DISTRICT

(Majority vote required)

Mr. Amoroso moved that it be a sense of this Town Meeting that the Town of Boxborough withdraws from the Minuteman Regional Vocational School District.

Boxborough has been a member of the Minuteman High School Regional School District for many years. Unfortunately, the time has come to recognize that the interests of Boxborough and its students are no longer best served by remaining a member of the Region. Our enrollment has recently declined from 16 students to 4 students, or some 1/2% of total enrollment. We have little influence on the Region, which is understandable: it is not reasonable to expect that the Region would operate in a manner that optimizes Boxborough's experience when a town like Arlington provides 38% of member towns' enrollment. It is time to trade our meaningless voice for a meaningful choice.

Withdrawing from the Region will better serve our students. Because we are a member town, our students must attend Minuteman unless it does not offer the program they would like to pursue. As a non-member, our students could apply to attend other fine schools that are as close or closer, such as Nashoba Valley Technical School in Westford, or Assabet Valley Regional Technical High School in Marlborough. Of course, they could also apply to

attend Minuteman on the same basis as students from other non-member towns, who currently account for nearly half its enrollment. This would be a meaningful choice.

Moreover, withdrawing from the Region will also be better financially. For many years we have paid more to educate our students at Minuteman than non-member towns. We have raised this issue with the Region many times, and have been rebuffed many times with the explanation that it is necessary to charge non-members less in order to keep enrollment at suitable levels. This disparity would only be worse if we adopt the proposed amendments, which would impose on Boxborough the largest per capita increase of any member. (See the related discussion in our Recommendation with respect to Article 6.) Withdrawing would end the discriminatory pricing Boxborough has experienced for years.

How likely is it that Boxborough will be allowed to withdraw? As discussed in our recommendation to Article 6, withdrawal is difficult. We will need the approval of all member towns and the Commissioner of Elementary and Secondary Education. Neither is likely to happen absent a compelling reason. However, the compelling reason exists to the extent that the other members and the Commissioner ever wish to amend the existing agreement. Boxborough will never have a greater voice in the Region than it does under the current agreement, which allows us to veto any changes. Boxborough will never be able to make a more compelling case for being allowed to withdraw than it can at this Town Meeting by voting against the proposed amendments and in favor of withdrawal.

The Finance Committee recommends unanimously (6-0).

The FinCom acknowledges that this may be largely a symbolic vote as it is unlikely that the other 15 member towns, as well the DESE (Dept. of Elementary and Secondary Education) would approve of Boxborough's withdrawal from Minuteman. We note that in the event that Boxborough is permitted to withdraw from Minuteman, our students would still have the ability to attend Minuteman on the same basis as the students from the 33 non-member communities and pay a tuition rate that would be approximately 80% of the current rate.

Ms. Mahoney presented the argument against the motion.

Maria Neyland spoke in favor of the motion highlighting the cost.

Trina Toups spoke against the motion. She said that membership provided students with better access to classes. The cost burden of member towns should be fixed at the state legislature.

Action on Article 7: The motion carried by majority vote.

Mr. Amoroso moved to pass over Article 6, Amendments to the Regional School District Agreement of the Minuteman Regional Vocational School District.

Action on Article 6: The motion to pass over carried by majority vote.

**ARTICLE 6 AMENDMENTS TO THE REGIONAL SCHOOL DISTRICT AGREEMENT OF THE
 MINUTEMAN REGIONAL VOCATIONAL SCHOOL DISTRICT**

(Majority vote required)

The Board of Selectmen unanimously does not recommend (5-0).

Compared to the current MRSD Agreement, the Proposed Amended Regional Agreement would disadvantage Boxborough in many important respects.

- 1) **Voting:** It would change the current system, in which each of the sixteen member towns has an equal vote, and employ weighted voting for most School Committee actions, based on the four (4) year rolling average enrollment. **This would reduce our voting power from 1/16, or 6.25%, to 4.04%.**
- 2) **Borrowing:** It would change the current system, whereby a single community, voting at Town Meeting, has the power to block new borrowing. Instead, new borrowing could be authorized by a two-thirds (2/3) vote of all members, without regard for the weight of the vote. Dissenting members could avoid liability for the new debt **only** by a) disapproving of the debt by majority vote at a Town Meeting called for the purpose, **and** b) moving to withdraw from the region by a two-thirds (2/3) vote at a Town Meeting called for the purpose **within sixty (60) days** of the vote that approved the new debt. **This proposal would eliminate our ability to veto authorization for new borrowing, and make it extremely difficult to avoid liability for the new debt.**
- 3) **Withdrawal:** It would change the method for withdrawal. Now, a community may seek to withdraw at any time by a majority vote at its annual or special town meeting. Each of the other member towns must then vote on the request at a special town meeting called for the purpose, but in no case later than their next annual town meeting. In order to become effective, all member towns and the Commissioner of Elementary and Secondary Education must approve. The process can be completed within one year from the date the community votes to withdraw. The new method permits withdrawal only as of July 1 of a given fiscal year. The community seeking to withdraw must obtain a two-thirds (2/3) vote at Town Meeting no less than three (3) years before the desired July 1 withdrawal date. Withdrawal will only be allowed by approval of a majority of the remaining members and the Commissioner of Elementary and Secondary Education. We believe the Commissioner is unlikely to approve withdrawal absent a compelling reason to do so. *(See the related discussion in our Recommendation with respect to Article 7.)*

The proposed change from unanimous approval to majority approval by the other member towns is a benefit that, in our judgment, is more than outweighed by the requirement that a withdrawal motion pass Town Meeting by a two-thirds (2/3) vote no less than 3 years before the desired July 1 withdrawal date.

- 4) **Assessment:**
 - a) **Operating Costs:** It would change the method of calculating our assessment of annual operating costs from the most recent year's enrollment share to a 4 year rolling average enrollment share. **At a time of declining enrollment, this would increase our assessment by counting students who are no longer enrolled.**
 - b) **Capital Costs:** It would change the method of calculating our assessment of capital costs from the most recent year's enrollment share to a 4 year rolling average enrollment share. In addition, it would consider certain factors used in calculating Chapter 70 state aid. **In other words, it would add a wealth based formula to increase our assessment.**
- 5) **Total Cost:** The proposed changes would decrease the assessments of seven towns and increase those of the remaining nine.

The result is that Boxborough would suffer by far the largest per capita increase of any member town:

Per Capita Change If Proposed Amendments Take Effect

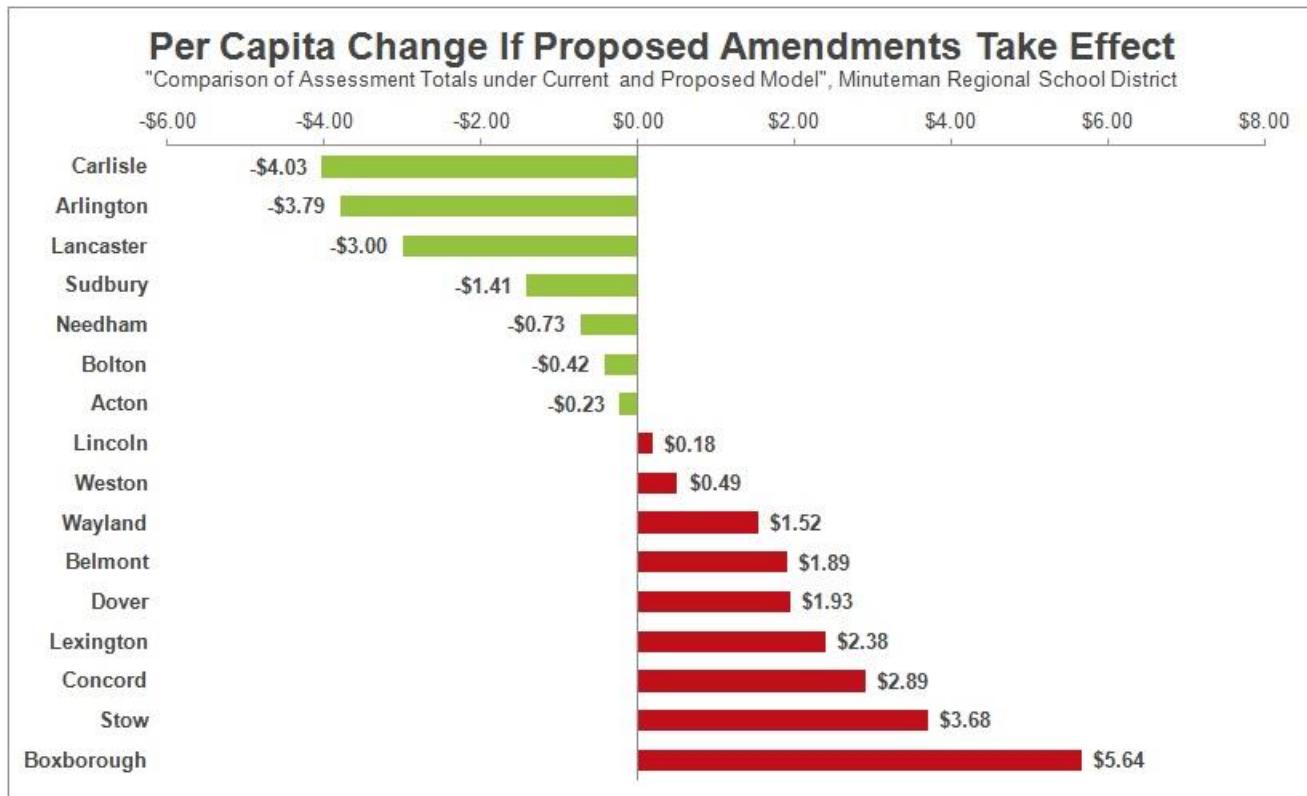

TOWN	Change ¹	Enrollment ²	Population ³	Per Capita Increase

³ 2010 US Census

The Finance Committee unanimously does not recommend (6-0).

Sixteen member towns formed the Minuteman Technical and Vocational Regional School District by Regional Agreement in 1970. Total student enrollment at Minutemen for the school year 2014 is 796, of which 440, or 55%, came from the 16 member towns and 356 from the 33 non-member towns. Boxborough's enrollment for the current 2013-2014 school year is 5 students. The chart below shows the 11-year history of enrollments. Noteworthy is the trend of declining member enrollments, including Boxborough:

School Year	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014
Boxborough	14	14	12	12	12	12	13	12	7	5	5
Member Towns	492	522	520	479	479	438	430	445	430	403	440
Non-Member Towns	303	270	254	245	245	260	250	309	355	340	356
Total	795	792	774	724	724	698	680	754	785	743	796

Since 2009 Minutemen has been engaged in a building renovation process with the Massachusetts School Building Authority (MSBA) to address the failing school infrastructure, which has not had any major capital improvements since it was constructed in the early 1970s. The current estimated project cost is \$120 million, of which some portion would be contributed by the state. Under **both** the current Regional Agreement and the revised Regional Agreement under consideration in this article, Minuteman would remain unable to charge non-member towns like Boston, Watertown, and Medford for the costs of the capital project, even those students from nonmember towns represent 45% of current enrollment.

After reviewing the proposed changes in the current Regional Agreement, including major changes in moderating approval provisions and providing town-enrollment weighted voting for the School Committee, the FinCom believes the proposed Amendment is unfair and biased in favor of the larger communities such as Arlington, Lexington, and Belmont. The direct financial impact of the proposed changes would be felt immediately as the complex cost formulas will shift capital costs from the member towns with larger enrollments to towns like Boxborough with lower enrollments. Boxborough and the other member towns are currently subsidizing the losses associated with the nonmember towns, and the proposed agreement exacerbates the problem.

Note that these proposed changes to the Regional Amendment will require approval by all members and the Commissioner of the DESE (Department of Elementary and Secondary Education). If the proposed Amendments pass, the Town's FY2015 Minuteman assessment of \$147,254 would increase by \$28,194, or 19%. Furthermore, Boxborough's assessments would likely more than double as a result of the substantial capital project under consideration.

ARTICLE 22 CAPITAL EQUIPMENT AND INFRASTRUCTURE

(Majority vote required)

Mr. Suleiman moved to transfer from Free Cash the sum of Eighty-Two Thousand Five Hundred Dollars (\$82,500) to provide for the purchase, replacement, or improvement of facilities and equipment as follows:

A.	Town Hall Attic Insulation	\$12,500
B.	Town Hall Carpet Replacement	20,000
C.	Town Hall Grange Meeting Room Improvements	60,000
D.	Town-wide Computer Replacement & SW Upgrade	30,000
E.	Library – HVAC Control System Upgrade	20,000
F.	Steele Farm – Repairs to Barn	70,000
	Total	\$82,500

SUMMARIES

A. Town Hall Attic Insulation

There is very little insulation in the attic and what there is has settled or fallen from its intended location. There is significant heat loss through the attic, which this project would eliminate. It is anticipated that there will be a financial incentive to be received from the gas utility for our investment in this energy conservation project.

B. Town Hall Carpet Replacement

The carpeting in Town Hall was installed in 1990 when the rear addition was built and the other office space reconfigured. Twenty-four years worth of wear and tear have resulted in soiled and tattered carpets, seams that have opened up, and areas of rippled carpet that pose serious tripping hazards. The carpets have reached the point where they no longer can be cleaned and even seem to be contributing to respiratory irritation for some staff. According to DOR, the useful life of carpeting is seven (7) years.

This article proposes to replace all the carpeting in Town Hall. Specifically, all the offices and corridors on the lower level, the Morse-Hilberg room, and the hallways on the second floor from the Morse-Hilberg room over to the Grange meeting room.

C. Town Hall Grange Meeting Room Improvements

The original Town Hall was constructed in 1901. Since that time, wear and tear has taken a toll on the appearance of the hall. A suspended ceiling with inefficient fluorescent lighting has replaced the original plastered ceiling. The fir flooring has suffered over 100 years of heavy use and is beyond repair. The stage, with its columns standing proud, was once a venue for local performances, and perhaps political orations, has for many years been used for municipal storage space.

In addition to looking at better space utilization, it is abundantly clear that we must catch up on maintenance in the Grange hall. This would also be an excellent opportunity to restore the hall to its early twentieth century appearance.

The floor, ceiling, and walls are in need of attention. Town meeting has already appropriated monies for the replacement of the hardwood floor. This article would provide funding for a new, plastered ceiling with energy efficient period lighting, and fresh paint on the walls. The construction of a new room behind the drapes on the stage is also recommended. The façade, including the front of the stage, the columns, and the curtains would be preserved. A large video screen would be mounted to the new wall (behind the curtain) to facilitate multimedia presentations by various boards or committees.

D. Town-wide Computer Replacement

The majority of computers across the town's operations are still running Windows XP, which will no longer be supported by Microsoft as of April 2014. There will be no further security updates or technical support for the Windows XP operating system. The town needs to remain compliant with state and federal security updates. Additionally, computers would be more vulnerable to be exploited by malware and susceptible to malicious attack.

This article would fund the acquisition and installation of eleven desktops, four laptops, monitors and peripheral equipment as well as fifteen upgraded Microsoft Word Suite licenses.

E. Library – HVAC Control System Upgrade

The HVAC Control system at the library is at the manufacturer's end-of-life. Funding for this article would enable the necessary upgrade to the control system. Without this upgrade, replacement parts and support will no longer be available for the current system. The upgrade should also improve energy efficiency.

The Library Board of Trustees unanimously recommends.

The Library Trustees unanimously recommend this necessary expenditure. The existing Honeywell network manager is not upgradeable and the manufacturer has announced end-of-life milestones and a migration from the R2 platform, which was introduced in 1999 to the latest platform known as AX. The AX platform offers the next generation of cyber security and enhanced experience across devices such as smart phones, tablets and browsers. This article also includes funds to add Demand Control Ventilation, which was recommended on the recent Town Energy Audit to increase energy efficiency in the system. With this upgrade of the Library HVAC system we will maintain our investment in this important resource in our community.

F. Steele Farm – Repairs to Barn

The Steele Farm Advisory Committee has developed a plan to renovate the barn. The primary focus of this project is to repair rotted structure, de-lead the exterior of the building, reestablish a weather tight building envelope, and paint the building. The basic structure of the building is sound, but peeling paint and rotted wood is allowing water to infiltrate the building causing significant damage. It would be advisable to proceed with this project as soon as feasible to lessen the damage.

This article would provide funding to replace the siding, windows, and doors of the Steele Farm barn with products of similar materials and appearance; repair rotted structural members and trim and prime and paint the entire exterior of building.

The Steele Farm Advisory Committee unanimously recommends.

In addition to badly needing repainting, the exterior of the Steele Farm barn displays much wood rot in the siding, windows and doors. The proposed renovations will leave the structure's exterior in condition to require only routine maintenance for some years to come. Replacement of all siding, rather than just rotted elements, will significantly reduce the cost of lead paint removal. Deferring this work will only increase the future cost.

The Board of Selectmen recommends unanimously (5-0).

The Board of Selectmen recommends the acquisition and the improvements in the facilities as described in the summaries above.

The Finance Committee voted to defer its recommendation until Town Meeting (5-0).

ARTICLE 23 STUDIES AND INITIATIVES

(Majority vote required)

Mr. Fox moved to transfer from Free Cash the sum of Thirty-One Thousand Five Hundred Dollars (\$31,500) for the purpose of implementing the following programs:

A.	Town Clerk – Record Books Conservation	\$29,347
B.	Planning Board – Update Master Plan	75,000
C.	Public Safety - Space Needs Analysis	25,000
D.	Recreation Commission – Survey and Design of Basketball and Tennis Courts at Liberty Fields	5,000
E.	Steele Farm Management Plan	6,500
	Total	\$31,500

SUMMARIES

C. Public Safety – Space Needs Analysis

The funding requested under this article would provide for professional consultant services to prepare a space needs assessment of Boxborough's Public Safety Departments (Dispatch, Police and Fire). This space needs assessment is an early, essential part of a comprehensive planning approach to achieving adequate needs for public safety facilities. Funding for this project will provide a preliminary detailed analysis defining the functional needs and scope of facilities, which will serve as a planning tool for the future.

The consultant's evaluation will include the square footage requirements for personnel, vehicles, apparatus, evidence, equipment and records storage, personnel parking, visitor parking and other associated requirements for the daily operations of each department. Also, the project will provide suggestions for improvements to existing facilities including the required site area of a parcel for potential new facilities, with the estimated cost of each, etc. Site selection is not a part of the scope of this project.

E. Steele Farm Management Plan

The funding requested under this article would provide for the development of a management plan for the 36-acre Steele Farm conservation land, which will explore potential agricultural uses; explore stewardship strategies; assess wildlife management needs to the extent possible using existing data and limited field research; assess the existing trail systems and make recommendations for improvements if necessary; explore connections to adjacent open space; evaluate the ecosystem services provided by Steele Farm and the larger open space and provide recommendations for improvement if necessary; identify ways to protect and improve water quality; identify methods to enhance habitat and species diversity while maintaining appropriate recreational opportunities; determine appropriate recreational uses; investigate methods to manage illegal uses; evaluate access and circulation patterns including signs and parking needs; assess the potential for providing accessible destinations; explore how the land and buildings can serve as a classroom for educational and interpretive programs; identify existing and potential conflicts between human recreation and natural processes; improve wayfinding; research user demographics to the extent possible; provide mapping of invasive species and management recommendations using existing data and limited field research; and recommend scheduling of general maintenance.

The Steele Farm Advisory Committee unanimously recommends.

The Steele Farm municipal property has been permanently protected by the recently implemented Conservation and Historic Preservation restrictions. A professionally-prepared management plan is necessary to ensure that the day-to-day operation of the property will balance recreational access, protection of resources, both natural and historical, agricultural activities, and maintenance operations. Additionally the plan should provide a vision for the future of Steele Farm. The Conway School has prepared numerous plans for various municipalities and non-profits in Massachusetts, and does so at a reasonable cost.

The Board of Selectmen recommends unanimously (5-0).

This collection of funding requests is presented as one article with several distinct components. This is an experiment in efficiency intended to streamline a portion of town meeting business. If these requests were annual and recurring, they would be assigned to the familiar consent agenda. Although they are new requests, each one supports necessary due diligence work for prudent planning and management as described above. The Selectmen recommend funding for all listed components.

Action on the first motion under Article 23: The motion carried by majority vote.

Jim Faulkner, Chair of the Planning Board, moved to transfer from Free Cash the sum of Seventy-Five Thousand Dollars (\$75,000) for the purpose of updating the Master Plan.

B. Planning Board – Update Master Plan

Pursuant to state Law, the Town is required to have a Master Plan. The last Master Plan for Boxborough was completed in January 2002, and after 12 years, it is no longer relevant. The demographics, economic viability and needs of the community have changed. At the 2012 Annual Town Meeting funds were appropriated for the completion of a town-wide build-out analysis, which is an essential component for updating the Master Plan. The consultant is finalizing the build-out analysis and the preliminary results show that by 2030, 40% of residents will be over 65 years old, up from 13% in 2010. It is time to determine through the Master Plan how the Town will deal with and foster the necessary changes to meet the needs of the community now and throughout the next 10 years, as well as maintain the required tax base. The Planning Board believes it is critical to look at the future economic development potential in the community to reduce the tax burden on residents, many of them on fixed incomes.

What does having an updated Master Plan mean for Boxborough? It means the community has reached a consensus on the direction it wants to follow on matters like land use, open space, housing, and economic development and the goals for the future. It means that we have set the vision and the action steps that various boards and committees will need to take to reach those goals. It means that the Town is more competitive for various state grants to assist in developing zoning amendments to foster the right change or grants for infrastructure improvements.

The Planning Board has worked hard with the regional planning agency, the Metropolitan Area Planning Council (MAPC), to focus the Master Plan Update scope of work to bring down the cost without compromising the vital public process and final product. To further assist the Town, MAPC has agreed to commit \$7,000 in District Local Technical Assistance Grant funds.

The Planning Board unanimously recommends because a goal without a plan is just a dream.

The Board of Selectmen recommends unanimously (5-0).

Action on second motion under Article 23: The motion carried by majority vote.

**ARTICLE 27 CAPITAL EQUIPMENT ACQUISITION – REPLACEMENT OF FIRE
DEPARTMENT BRUSH TRUCK**

(Two-thirds vote required)

Mr. Gorman moved that the sum of One Hundred Fifty Thousand Dollars (\$150,000) be and hereby is appropriated for the purpose of acquiring a brush truck for the Fire Department to replace the 1999 brush truck, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

The Board of Selectmen recommends unanimously (5-0).

The current Fire Department brush truck is built upon a Ford F350 SL chassis for a 2,000 lb. payload, manufactured in November of 1998. The vehicle is therefore approximately 15 years old and has been subjected to harsh service over the years in responding to Town and highway brush fires as well as towing trailers, such as

the decontamination trailer, to events such as the Boston Marathon. The vehicle body has serious corrosion issues, which have been repaired piecemeal over the years, and suffers excessive suspension and drivetrain wear as a result of exceeding the design gross vehicle weight in its present configuration. The current brush truck is becoming a maintenance burden to the department. A special purpose brush truck is required in Boxborough because of the relatively inaccessible nature (to standard engines) of a large proportion of the Town's area that may be subject to brush fires. In addition, the brush truck carries special purpose hoses and other equipment that would displace more general-purpose equipment on a conventional fire engine, thus rendering it less useful for its main mission. New brush truck vehicles are manufactured to a better standard now (e.g. all-welded aluminum construction) than the essentially home-built 1999 current brush truck, leading to expected service lives of ~ 20 years. The old brush truck will be traded or auctioned to return its residual cash value to the Town.

The brush truck replacement has been programmed into the Town Capital Plan for this year.

The Finance Committee recommends unanimously (5-0).

This item was included in the FY 15 Capital Plan.

Action on Article 27: The motion carried unanimously.

ARTICLE 28 CAPITAL EQUIPMENT ACQUISITION – REPLACEMENT OF DPW (2001) DUMP TRUCK

(Two-thirds vote required)

Mr. Amoroso moved that the sum of One Hundred Fifty Thousand Dollars (\$150,000) be and hereby is appropriated for the purpose of acquiring a multi-body truck for the DPW to replace the 2001 dump truck, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

The Board of Selectmen recommends unanimously (5-0).

It is time to replace the thirteen year old DPW dump truck. Useful life for these vehicles is 8-10 years. It has 72,692 miles, needs a new transmission, and has a bent and rusting frame. The replacement is a new International 4300 series. This vehicle has a multi-body design that permits bodies to be switched in minutes. The purchase price includes a 4WD transmission, standard dump body, stainless steel sander body, steel box (for chipping and brush), and power angle plow. Effectively, this purchase gives us the utility of three trucks in one.

The Finance Committee recommends unanimously (5-0).

This item was included in the Capital Plan. The new multi-body truck will replace the current dump truck that has exceeded life expectancy. The new truck will reduce wear tear on existing vehicles.

Action on the motion: The motion carried unanimously.

ARTICLE 29 AUTHORIZATION TO ACQUIRE REAL PROPERTY - 530 MASSACHUSETTS AVENUE

(Two-thirds vote required)

Les Fox moved to authorize the Board of Selectmen to acquire, by purchase, gift, or eminent domain, for general municipal purposes, all or a portion of the land and any improvements thereon located at 530 Massachusetts Avenue, consisting of approximately 3 acres, and depicted on Town Tax Maps as Map 10, Block 4, Lot 172 2.0 and Map 10, Block 4, Lot 172 3.0, which land is believed to be more particularly described in the deed recorded with the Middlesex Registry of Deeds, Southern District, in Book 17459, Page 354, upon such terms and for such consideration as the Selectmen deem appropriate and to enter into all agreements and take all other actions necessary or appropriate to carry out this transaction, and further that the sum of Two Hundred Fifty Thousand Dollars (\$250,000) be and hereby is appropriated for the purpose of such acquisition and including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Town Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow said amount under and pursuant to Chapter 44, Section 7 or 8 of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Summary

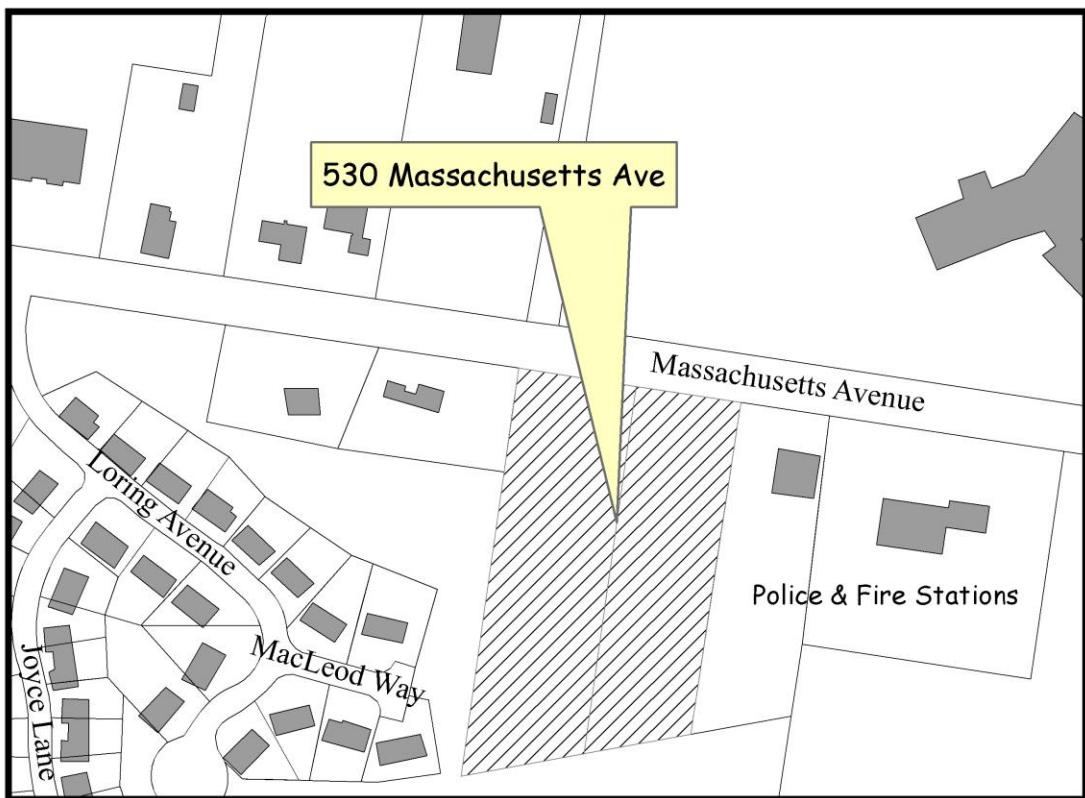

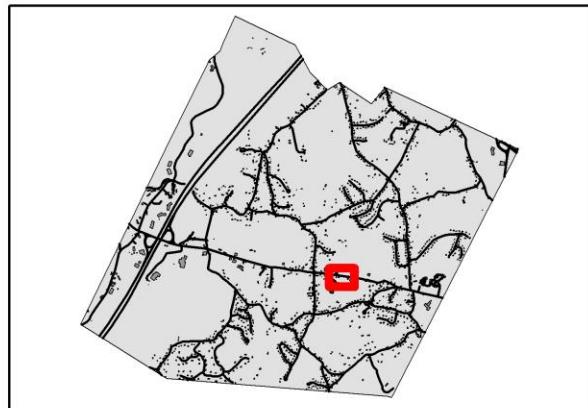

The police and fire departments occupy adjacent parcels of land that are bordered by wetlands to the east and south, Route 111 to the north, and parcel located at 530 Massachusetts Avenue to the west. This property consists of two parcels totaling approximately three acres fronting on Route 111 and contiguous to the police station. Although there is no immediate plan to expand the police or fire Departments, any future expansion of either department would be limited by the existing footprint. Acquiring this parcel would assure its availability to meet future expansion needs of the Town.

The Board of Selectmen recommends unanimously (5-0).

Given projected growth of the town and increased demands on public safety services, to be prudent we must provide for expanded facilities to house more personnel and equipment. Newer fire apparatus that will be purchased in the future may not fit in the existing fire station. Article 23 requests funds to quantify the future space needs for public safety operations. With the bordering wetlands there is no room to expand the current public safety footprint on the existing site. This property is adjacent to the police station and is the only land available for future expansion contiguous to the current site. We don't know when such expansion will be unavoidable, but without access to the subject land, we will not even have that option. Acquisition of this property is a prudent municipal land banking strategy to support a defined future need. The negotiated purchase price is below current assessed value.

The Finance Committee unanimously did not recommend. The cost for what amounted to only an acre of developable land was too high.

ARTICLE 30 ESTABLISH REVOLVING FUND FOR ANIMAL CONTROL OFFICER – DOGS AND CATS

(Majority vote required)

Mr. Fox moved to authorize a revolving fund, pursuant to the provisions of MGL c. 44, § 53E1/2, for the purpose of receiving fees for services performed by the Animal Control Officer – Dogs and Cats pursuant to an Inter-Municipal Agreement (IMA) between and among the town of Boxborough and neighboring towns and for paying a portion of the salary, benefits and expenses directly attributable to those services up to Sixty Thousand Dollars (\$60,000), to be under the direction of the Chief of Police who shall approve all such expenditure; and further to provide that the balance remaining in the fund at the end of fiscal year 2015 be carried over into fiscal year 2016 to pay for expenses not yet completed.

The Board of Selectmen recommends unanimously (5-0).

The Animal Control Officer (Dogs and Cats) has become increasingly busy. In addition to providing services to Boxborough, the ACO has of necessity been providing private ACO service to other towns on a personal basis to supplement income. Demands from other towns will probably increase due to recent changes in statute requiring towns to have the services of a Dog Officer that has received certified training.

The reality is that Boxborough has a de-facto shared resource but does not have the benefits of management and control. The time is right to rationalize and formalize the current ad-hoc arrangements through creation of an Inter-Municipal Agreement (IMA) with each of the service towns for use of Boxborough's ACO. Through use of IMAs for animal control services, we can improve efficiency and help with time management through centralized dispatching that would be provided by Boxborough Dispatch. The Police Chief is supportive and can offer centralized dispatch for multiple towns. Note: ACO budget is Dept 692 in Public Safety.

In 2006 town meeting approved authorization for the Selectmen to enter into IMA's for shared animal control services. The IMA's will lay out pricing and terms. Analysis of the current situation indicates we can expect to collect sufficient fees to pay for services and operations expenses. Negotiations with other towns are ongoing.

Approval of this article will authorize establishment of a revolving fund to receive fees for services under the IMA's, and disperse funds for expenses. The recommended cap level has been determined by analysis of expected revenues and cash flow.

The Finance Committee was not in favor of the motion.

ARTICLE 31 CONSERVATION TRUST FUND

(Majority vote required)

Dennis Reip, Chair of the Conservation Commission, moved to transfer the sum of Five Thousand Dollars (\$5,000) from Free Cash, said sum to be transferred to the Town's Conservation Trust Fund.

Summary

The appropriation is intended to fund anticipated capital needs related to conservation of land in Boxborough.

Justification and Need

1. *The Conservation Trust Fund was established under the Conservation Commission Act in 1957 and is intended to provide funds for the following purposes:*

- *Purchase of Land*
- *Capital Improvement of Land*
- *Expenses related to land purchase such as appraisals, title searches etc.*
- *Improvement of conservation land.*
- *Monitoring of Conservation restrictions.*
- *Cost of preparing open space plans and maps.*

2. *The Conservation Trust Fund currently has an unencumbered funds balance of approximately \$19,000. Previous discussions with the Finance Committee concluded that an estimated working balance of \$30,000 is considered to be adequate for meeting anticipated expenses.*

3. *The Conservation Trust Fund has incurred the following expenses/encumbrances in FY 2014:*

- *\$13,000 for Preparation of an updated Town Open Space and Recreation Plan (OSRP). The OSRP will serve as a guidance document for Town Boards and Commissions, and is a prerequisite for Town eligibility to apply for State grants targeting land acquisition for conservation or recreational purposes and other land management activity.*

4. *The Conservation Trust Fund has the following upcoming anticipated expenses:*

- *Review of Land Acquisition Opportunities – There are a number of parcels (both in and out of Chapter) that may be offered to the Town. Typical due diligence for review of acquisition opportunities (before bringing a potential acquisition to Town Meeting) incurs costs on the order of \$10,000 for appraisals, title searches, and engineering and/or environmental review.*
- *Control of Invasive Plants on Conservation Land – Implementation of invasive control plans will involve the cost of contracted labor and equipment that is beyond routine operations and maintenance.*
- *Improve the Monitoring of Conservation Restrictions – Preparation and recording of baseline documentation will involve the cost of contracted consultant services.*

Background Information

1. *From 1990 to 1999 Town Meeting appropriated an average of \$5,000/year to the Conservation Trust Fund.*

2. *There was one appropriation of \$15,000 to “replenish” the fund in 2000.*

3. *The last 3 year's (2011, 2012 and 2013) ATM approved an appropriation of \$5,000 each year.*

4. *Routine operations and maintenance are funded separately at approximately \$1,000 per year.*
5. *Other sources of funds available to the Conservation Commission such as state and town filing fees are limited to covering expenses associated with reviewing and protecting wetland resource areas and land with wetlands interests. The Conservation Trust Fund may be directed toward broader range Conservation land interests independent of wetland resource protection.*

Arguments in Favor of a \$5,000 appropriation to the Conservation Trust Fund:

1. *Providing this appropriation to the Conservation Trust Fund is consistent with the Town's current Capital Planning efforts and objectives.*
2. *The Conservation Trust Fund provides an immediate and dedicated source of money to pay for anticipated needs, and avoids the need for ad hoc funding out the town's annual operating budget.*

Arguments Against a \$5,000 appropriation to the Conservation Trust Fund:

1. *The anticipated expenses are uncertain, and should be considered and paid as the needs arise.*

The Conservation Commission recommends (6 – 0).

The Board of Selectmen recommends unanimously (5-0).

The Board of Selectmen supports the Commission in its request. The Conservation Trust Fund enables the Conservation Commission to carry out a variety of prudent activities including land value assessment, engineering and other services in support of potential land acquisition that might otherwise not happen due to the time constraints of the opportunity.

The Finance Committee recommends (3-2)

The majority approves the article. The Conservation Commission has established an effective model for funding required projects as they arise, utilizing a revolving fund that periodically requires replenishment. Appropriate expenditures have depleted the Conservation Trust Fund to a level that merits funding as requested. If approved, the article will be paid out of free cash.

The minority of the FinCom did not approve this article and feels that adding \$5,000 every year to the Conservation Trust Fund does not really address the Conservation Commissions goals for using such funds. There are ample monies in Special Funds and Trust accounts over which the Commission has control to fund any studies that the Commission wants to conduct.

ARTICLE 32 PILOT PROGRAM – COMMUNITY SERVICES COORDINATOR

(Majority vote required)

Susie Allen, member of the Well—Being Committee, moved to transfer the sum of Twenty—Five Thousand Dollars (\$25,000) from Free Cash for the purpose of implementing a pilot program for community services coordination and outreach by hiring a part-time Community Services Coordinator or contracting said services.

The Well Being Committee recommends unanimously.

The Board of Selectmen recommends unanimously (5-0).

Investigations by the Boxborough Well-Being Committee have confirmed the somewhat surprising fact that between 3% - 5% of Boxborough families seek assistance from local food pantries, reduced cost/free school lunch programs, SNAP (food stamps) and other government assistance programs, as a result of economic hardship. Addressing the needs of both identified and as yet unidentified residents with assistance issues is a complex process involving navigating through often opaque and overlapping federal and state assistance programs. This navigation of society's safety net normally requires internet access and a deep experience with the possibilities and prospects for these programs. In addition to the not-so-simple mechanics of applying for assistance, residents who require assistance often need simple communication with sympathetic and knowledgeable individuals who can identify issues and suggest potential solutions. The proposed Community Services Coordinator will be a contract licensed social worker, working from 8-12 hours per week, with a cap of \$25,000 on the FY 15 expenditure. The value of such a Community Services Coordinator has been endorsed by Boxborough's Council on Aging Coordinator, the Police Chief and Fire Chief, as well as the Blanchard School and ABRS guidance counselors. The main theme of these endorsements is that intelligently focused assistance provided to families in need is a great investment in avoiding future societal problems that these individuals must deal with on a daily basis, often at great cost in resources.

The Finance Committee recommended.

**ARTICLE 33 ZONING BYLAW AMENDMENT – AMEND SECTION 2100 DEFINITIONS,
SECTION 4003(4) TABLE OF USES BUSINESS/INDUSTRIAL USES, AND TO
DELETE SECTION 7900**

(Two-thirds vote required)

Jim Faulkner, chair of the Planning Board, moved to amend the Boxborough Zoning Bylaw Section 2100 Definitions, by adding a definition of “Registered Marijuana Dispensary” and to renumber the remaining definitions accordingly throughout the Zoning Bylaw, to amend Section 4003(4) Table of Uses Business/Industrial Uses to add Registered Marijuana Dispensary as a special permit use in the IC District, and to delete Section 7900 in its entirety, as printed in the Annual Town Meeting warrant under Article 33.

Section 2100Definition

Registered Marijuana Dispensary: also known as a Medical Marijuana Treatment Center, means a not-for-profit entity registered under 105 CMR 725.100, to be known as a registered marijuana dispensary (RMD), that acquires, cultivates, possesses, processes (including development of related products such as edible MIPs, tinctures, aerosols, oils, or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to registered qualifying patients or their personal caregivers. Unless otherwise specified, RMD refers to the site(s) of dispensing, cultivation, and preparation of marijuana.

Section 7900 Temporary Moratorium On Medical Marijuana Treatment Centers

Section 7901 Purpose

~~By vote at the State election on November 6, 2012, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law provides that it is effective on January 1, 2013 and the State Department of Public Health is required to issue regulations regarding implementation within 120 days of the law's effective date. Currently under the Zoning Bylaw, a Medical Marijuana Treatment Center is not a permitted use in the Town of Boxborough and any regulations promulgated by the State Department of Public Health are expected to provide guidance to the Town in regulating medical marijuana, including Medical Marijuana Treatment Centers. The regulation of medical marijuana raises novel and complex legal, planning, and public safety issues and the Town needs time to study and consider the regulation of Medical Marijuana Treatment Centers and address such novel and complex issues, as well as to address the potential impact of the State regulations on local zoning and to undertake a planning process to consider amending the Zoning Bylaw regarding regulation of medical marijuana treatment centers and other uses related to the regulation of medical marijuana. The Town intends to adopt a temporary moratorium on the use of land and structures in the Town for Medical Marijuana Treatment Centers so as to allow the Town sufficient time to engage in a planning process to address the effects of such structures and uses in the Town and to enact bylaws in a manner consistent with sound land use planning goals and objectives.~~

Section 7902 Definition

~~“Medical Marijuana Treatment Center” shall mean a “not for profit entity, as defined by Massachusetts law only, registered by the Department of Public Health, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers.”~~

Section 7903 Temporary Moratorium

~~For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures for a Medical Marijuana Treatment Center. The moratorium shall be in effect through June 30, 2014. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of medical marijuana in the Town, consider the Department of Public Health regulations Regarding Medical Marijuana Treatment Facilities and related uses, and shall consider adopting new Zoning Bylaws to address the impact and operation of Medical Marijuana Treatment Centers and related uses.~~

Or take any other action relative thereto.

Explanation

Currently under the Town of Boxborough's Zoning Bylaw, a registered marijuana dispensary (RMD) is not a permitted use in the Town. The Town cannot ban RMDs entirely because as stated by the Attorney General "Such a complete ban would frustrate the purpose of Chapter 369 of the Acts of 2012, "An Act for the Humanitarian Medical Use of Marijuana" (enacted as Question 3 on the November 2012 state ballot), to allow qualifying patients, who have been diagnosed with a debilitating medical condition, reasonable access to such dispensaries."

The Department of Public Health Regulations has developed extensive regulations that govern things such as the operations, handling, dispensing, marketing and security requirements for RMDs. The Planning Board is proposing that RMDs be permitted in the Industrial-Commercial Zone District, but only by Special Permit. In conjunction with Department of Public Health Regulations, the Special Permit process would require notification to abutters, a public hearing and the ability to place reasonable conditions on the use, such as hours of operation, requirement that contact information for all management staff and keyholders be provided to the Town in case of problems, and copies of all licensing and reporting documents as may be required as part of the Department of Public Health Regulations.

The Planning Board recommends.

The Finance Committee will defer its recommendation until Town Meeting.

Action on Article 33: The motion carried unanimously.

ARTICLE 34 ZONING BYLAW AMENDMENT – AMEND SECTIONS 6104 AND 6105 PRIVATE/COMMON DRIVEWAYS

(Two-thirds vote required)

Nancy Fillmore moved to amend the Boxborough Zoning Bylaw Section 6104 Private/Common Driveways in the Agricultural-Residential (AR) District and Section 6105 Private/Common Driveways in the Business, Business 1, Office Park, Town Center, and Industrial-Commercial to add the language in bold italics and delete the language as indicated by strikethroughs, as printed in the Annual Town Meeting warrant under Article 34.

6104 Private/Common Driveways in the Agricultural-Residential (AR) Districts

(5) *Applications for a Private/Common Driveways special permit* in the AR District shall *adhere to the extent feasible to those* meet the following construction standards *set forth in the Planning Board Private Common Driveway Guidelines*. *Such guidelines are for advisory purposes only and shall not be binding on the applicant or the Planning Board.*

- (a) ~~All topsoil shall be removed from the Private/Common Driveway.~~
- (b) ~~Private/Common Driveways shall be subgraded 15" below finished grade and inspected at this stage by the Superintendent of Streets or his designated agent.~~
- (c) ~~Private/Common Driveways shall have 12" or more of gravel and shall have 2 1/2" of hot top extending a minimum distance of 25 feet from the junction with the roadway along the driveway.~~
- (d) ~~Private/Common Driveways shall be constructed to a minimum width of 16 feet.~~
- (e) ~~Private/Common Driveways shall have a minimum of a 3 foot shoulder on each side of the paved surface.~~
- (f) ~~Private/Common Driveways shall meet town roads as shown in the Driveway Approach Bylaw.~~
- (g) ~~Private/Common Driveways shall have drainage structures where needed.~~
- (h) ~~Private/Common Driveways shall not exceed a slope of 8%.~~
- (i) ~~Private/Common Driveways shall provide turning location within 100 feet of each house served to accommodate fire fighting equipment.~~
- (j) ~~Private/Common Driveways shall be no closer than ten (10) feet at any point from abutting lots not served by the Common Driveway.~~

6105 Private/Common Driveways in the Business, Business 1, Office Park, Town Center, and Industrial-Commercial Districts

(7) *Applications for a Private/Common Driveways special permit* in the B, B1, OP, TC, and IC Districts shall *adhere to the extent feasible to those* meet the following construction standards *set forth in the Planning Board Private Common Driveway Guidelines*. *Such guidelines are for advisory purposes only and shall not be binding on the applicant or the Planning Board.*

- (a) ~~All topsoil shall be removed from the Private/Common Driveway.~~
- (b) ~~Private/Common Driveways shall be subgraded 15" below finished grade and inspected at this stage by the Director of Public Works or his designated agent.~~
- (c) ~~Private/Common Driveways shall have 12" or more of gravel and shall have 3 1/2" of hot top (2" binder and 1 1/2" top course).~~
- (d) ~~Private/Common Driveways shall be constructed to a minimum of a 20 foot width.~~
- (e) ~~Private/Common Driveways shall have a minimum of a 3 foot shoulder on each side of the paved surface.~~
- (f) ~~Private/Common Driveways shall have drainage structures where deemed necessary by the Planning Board.~~
- (g) ~~Private/Common Driveways shall not exceed a slope of 8%.~~

(h) Adequate provisions for fire fighting equipment shall be made.

Or take any other action relative thereto.

Explanation

The purpose of the Zoning Bylaw is to regulate the use of land, building and structures. To include construction standards for common driveways is not appropriate. Currently, any amendments to the construction standards can only happen as a part of Town Meeting with a two-thirds vote. The Planning Board is proposing to convert such standards to guidelines, thereby allowing the Board the flexibility to adjust the standards based on common engineering practices and input from the Town's consulting engineer and Public Works Director, and to fashion appropriate construction standards as required for each special permit application.

The Planning Board recommends.

The Finance Committee will defer its recommendation until Town Meeting.

Action on Article 34: The motion carried by two-thirds vote as declared by the moderator.

ARTICLE 35 ZONING BYLAW AMENDMENT – AMEND SECTION 7300 FLOOD PLAIN DISTRICT

(Two-thirds vote required)

John Markiewicz moved to amend the Boxborough Zoning Bylaw Section 7300 Flood Plain District by amending Subsection 7302 Existing Regulations, Subsection 7304 Flood Plain District and Subsection 7305 Regulations to add the language in bold italics and delete the language as indicated by strikethroughs as printed in the Annual Town Meeting warrant under Article 35.

7300 FLOOD PLAIN DISTRICT

7302 Existing Regulations

All development in the district including structural and nonstructural activities whether permitted by right or by special permit must be in compliance with the following regulations:

- (1) 780 CMR ~~2101.G (Flood Resistant Construction)~~ the Massachusetts State Building Code (which address flood plain and coastal high hazard areas).
- (3) ~~31002 CMR 136.00, Adopting Inland Wetlands Restrictions, DEP Orders.~~

7304 Flood Plain District

The Flood Plain District includes all special flood hazard areas within the Town of Boxborough designated as Zone A and AE, on the Middlesex County Flood Insurance Rate Map (FIRM) issued by the Federal Emergency Management Agency (FEMA) for the administration of the National Flood Insurance Program. The map panels of the Middlesex County FIRM that are wholly or partially within the Town are panel numbers 25017C0218E *dated June 4, 2010; and 25017C0219F, 25017C0238F, 25017C0331F, 25017C0332F, 25017C0333F, 25017C0334F, 25017C0351F and 25017C0353F dated July 7, 2014.* ~~25017C0218E, 25017C0219E, 25017C0238E, 25017C0331E, 25017C0332E, 25017C0333E, 25017C0334E, 25017C0351E and 25017C0353E dated June 4, 2010.~~ The exact boundaries of the District may be defined by the 100-year base flood elevations shown on the FIRM and further defined by the Middlesex County Flood Insurance Study (FIS) report dated *July 7, 2014* ~~June 4, 2010~~. The FIRM and FIS report are incorporated herein by reference and are on file with the Town Clerk, Planning Board and Inspector of Buildings.

7305 Regulations

The following requirements apply in the Flood Plain District:

- (1) ~~Within Zones A and AE where the base flood elevation is not provided, the best available Federal, State, local, or other floodway data shall be used to determine the 100-year flood elevation.~~
- (2) In Zones A and AE no encroachments, including fill, new construction, substantial improvements, or other development shall be made in such floodway unless certifications by a registered professional engineer or architect are provided by the applicant to the Inspector of Buildings proving that the proposed encroachment, construction, improvement or development will not result in any increase in the water surface elevation of the 100-year flood.
- (3) *Base flood elevation data is required for subdivision proposals or other developments greater than 50 lots or 5 acres, whichever is the lesser, within unnumbered A zones.*
- (3) *In Zones A and AE, along watercourses that have not had a regulatory floodway designated, the best available Federal, State, local, or other floodway data shall be used to prohibit encroachments in floodways in accordance with Section 7305(1).*

(4) *All subdivision proposals must be designed to assure that:*

- a) such proposals minimize flood damage;*
- b) all public utilities and facilities are located and constructed to minimize or eliminate flood damage, and;*
- c) adequate drainage is provided to reduce exposure to flood hazards.*

Or take any other action relative thereto.

Explanation

Participation in the National Flood Insurance Program (NFIP) is based on an agreement between local communities and the federal government that states if a community will adopt and enforce a floodplain management ordinance to reduce flood risks to new construction (or substantial improvements) in Special Flood Hazard Areas (SFHAs), the federal government will make flood insurance available within the community as financial protection against flood losses.

The Federal Emergency Management Agency (FEMA) has recently completed a Flood Insurance Study for the Concord River Watershed in Middlesex County. Prior to July 7, 2014, Boxborough is required to adopt the new FIRM Maps and revised NFIP regulations for compliance.

If the Town does not adopt the effective maps and comply with these regulations, it will be suspended from the NFIP. If the Town is suspended, no federally backed flood insurance is available to residents or business owners. If required by lenders, insurance would have to be purchased on the private market where it will be 3-4 times higher. The community would no longer be eligible for financial assistance for the permanent repair or reconstruction of insurable buildings in the SFHA from the federal government if a Presidentially Declared disaster occurs as a result of flooding.

Adoption of the revised maps has nothing to do with the recent media coverage regarding flood insurance rates. The changes to flood insurance rates is a result of Congress passing the Biggert-Waters Flood Insurance Reform Act of 2012 which reauthorized the National Flood Insurance Program (NFIP) and made several changes to the program, including several that alter the way premium rates are calculated.

**ARTICLE 36 SUBMITTED BY PETITION - TAX RELIEF FOR BOXBORO SENIORS AGE 65
AND OLDER**

(Majority vote required)

This Article is to grant a 10% Reduction in Real Estate TAXES for SENIORS Age 65 yrs. AND OLDER with a minimum of 5 yrs. or more of TOWN Residency. AND 15% reduction for SENIORS WHO ARE PERMANENTLY DISABLED.

The Board of Selectmen unanimously does not recommend (5-0).

Town Counsel has advised that this petitioned article is not in proper legal form. The General Laws only permit real estate tax exemptions under limited circumstances as provided for in General Laws Chapter 59, section 5. Limited exemptions from property taxes for seniors and disabled persons are available upon adoption by Town Meeting of specific provisions of the statute and are subject to the limitations, including income, set forth therein. In addition, the Town already provides the maximum statutory exemption permitted by law for senior citizens and other qualifying individuals, and the Board of Selectmen urges the Town to continue that practice by voting for Article 39.

The Finance Committee unanimously does not recommend (5-0).

Action on Article 36: The article was passed over.

ARTICLE 37**SUBMITTED BY PETITION - TOWN RESIDENTS VOTING FOR TAX
COLLECTOR VS SELECTMEN APPOINTING SOMEONE OF THEIR CHOICE.**

(Majority vote required)

THIS ARTICLE TO BE PLACED ON ANNUAL TOWN WARRENT is TO RETURN TO VOTE TO TOWN RESIDENTS OPPORTUNITY TO VOTE FOR TAX COLLECTORS POSITION. SINCE THE INCEPTION OF TOWN OF BOXBORO, MA. in 1783 OVER 230 YRS. AGO THIS POSITION HAS Always BEEN BY TOWN VOTERS AND NOT BY APPOINTMENT. TOWN WILL ALWAYS BENEFIT MORE BY TOWN VOTE vs. BY APPOINTMENT.

The Board of Selectmen unanimously does not recommend (5-0).

Town Counsel has advised that this petitioned article is not in proper legal form. Although G.L. c. 41, s. 1B enabled the Town to change the office of Tax Collector from elected to appointed, there is no corresponding process in the General Laws to change the position back to elected. Accordingly, a special act of the Legislature would be required.

The Finance Committee unanimously does not recommend (5-0).

Action on Article 37: The article was passed over.

Mr. Amoroso moved to approve the consent agenda, articles 38 through 40, inclusive, as printed in the Annual Town Meeting warrant under articles 38 through 40 inclusive.

Action on Articles 38, 39 & 40: The motion carried unanimously.

Mr. Amoroso moved to dissolve the Annual Town Meeting. The motion to dissolve carried unanimously.

ARTICLE 38 ACCEPTANCE OF LIBERTY SQUARE ROAD FIRE CISTERNS EASEMENT**

(Majority vote required)

To see if the Town will vote to accept the perpetual right and easements over, under and upon a certain portion of the land of the Grantor situated in the westerly side of Liberty Square Road in said Boxborough and being shown as “Future Installation of Fire Cistern & Appurtenances” (“Easement Area”) on a plan entitled “Easement Plan, 211 Massachusetts Avenue” dated August 7, 2013 prepared for John Anderson by Acton Survey & Engineering, Inc. and recorded with the Middlesex South District Registry of Deeds as Plan No. 614 of 2013 (“Easement Plan”), to which plan reference may be had for a more particular description of said Easement Area, for the purpose of accessing, placing, installing, constructing, and maintaining a fire protection cistern; and as described in the Grant of Easement as conveyed by JA Boxboro Realty, LLC; and further to authorize the Board of Selectmen to acquire by purchase, eminent domain, gift or otherwise for the intended purpose the easement; or take any action relative thereto.

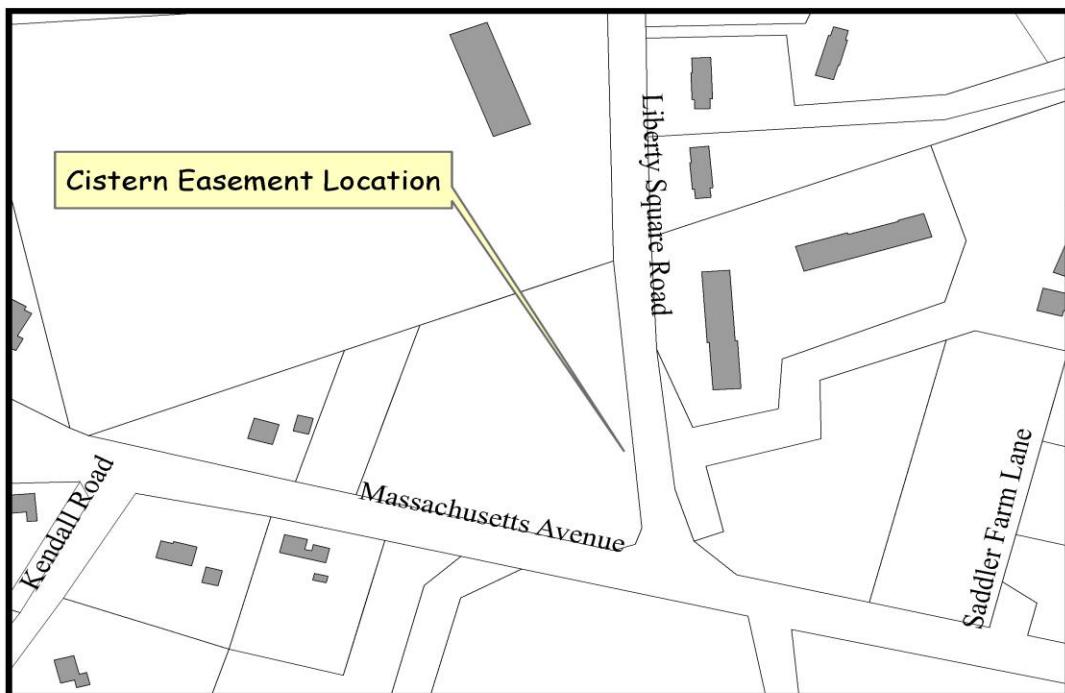

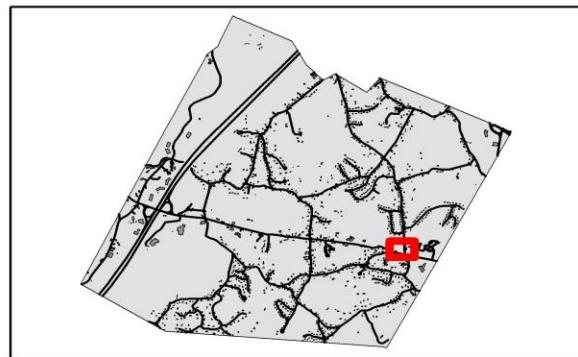

The Board of Selectmen recommends unanimously (5-0).

In the absence of a Town water supply, the system of fire cisterns and fire ponds maintained by the Fire Department is an essential element in Boxborough’s ability to effectively fight fires in residential and commercial structures, by providing a large and ready source of water. Accepting this easement will allow for the potential future construction of a new fire cistern, should one be required, in the vicinity of the Massachusetts Avenue and Liberty Square intersection.

The Finance Committee recommends unanimously (5-0).

Action on Article 38: The motion on the article passed as part of the Consent Agenda.

LIBERTY SQUARE ROAD FIRE CISTERN EASEMENT

ARTICLE 39 PERSONAL REAL ESTATE EXEMPTIONS**

(Majority vote required)

To see if the Town will vote to continue to accept Chapter 73 of the Acts of 1986 as amended by Chapter 126 of the Acts of 1988, providing for an increase of up to 100% of the underlying statutory amount in certain property tax exemptions for qualifying senior citizens, disabled veterans, and other individuals; or take any other action relative thereto.

Summary

Under this annual optional exemption provision, a city or town may accept the new law each year by vote of the local appropriating authority, which is defined as a majority vote at town meeting.

“Other individuals” includes surviving spouse, surviving spouse minor children, blind persons, service persons injured in combat, police & firefighter killed in line of duty.

Anyone with questions or who might wish to take advantage of these tax exemptions should contact the Town Assessor, Ruth Anderson, at 978-264-1720 or by e-mail to: randerson@boxborough-ma.gov.

The Board of Selectmen recommends unanimously (5-0).

This simply is a housekeeping article; each year we must reconsider and accept this article so that our senior citizens, disabled veterans, and others who qualify can continue to receive the property tax relief the Town has traditionally provided them. Chapter 73 allows a Town to grant these exemptions at its discretion, but limits the amount of the exemption to no more than twice the statutory amount. We are not required to grant these exemptions, but we do so because we think it is right. Moreover, Boxborough traditionally grants the maximum exemption allowed by law. We urge the Town to continue that practice.

The Finance Committee recommends unanimously (5-0).

Action on Article 39: The motion on the article passed as part of the Consent Agenda.

ARTICLE 40 CHAPTER 90 HIGHWAY REIMBURSEMENT PROGRAM**

(Majority vote required)

To see if the Town will vote to authorize the Board of Selectmen to accept Highway funds from the Commonwealth of Massachusetts and that such funds are hereby appropriated for the purpose of providing highway improvements under the authority of Chapter 90 of the General Laws, and any other applicable laws; or take any other action relative thereto.

The Board of Selectmen recommends unanimously (5-0).

Accepting these funds will assist us in making necessary repairs to several town roads.

The Finance Committee recommends unanimously (5-0).

Action on Article 40: The motion on the article passed as part of the Consent Agenda.

You are required to serve this Annual Town Meeting Warrant by posting copies thereof, attested by you, at the Town Hall, at the Sargent Library, at the Police Station, at the Fire Station, and at the Blanchard Memorial School, fourteen days at least, before the time appointed for such meeting.

Hereof, fail not deliver these warrants with your return of service thereon to the Town Clerk on or before April 25, 2014.
