BETWEEN
TOWN OF BOXBOROUGH
AND
ALEXANDER WADE
BOXBOROUGH DIRECTOR OF LAND USE**

This contract is made effective as of the 16th day of June, 2025 and is entered into between the Town of Boxborough (hereinafter the "Town"), a duly authorized municipal corporation in Massachusetts in the County of Middlesex, acting by and through its Town Administrator (hereinafter the "Administrator") and Alexander Wade (hereinafter the "Employee").

Whereas, it is the desire of the Town to provide certain compensation and establish the terms and conditions of employment of the Employee in such capacity;

Whereas, the Employee has agreed to accept the appointment as Director subject to the terms and conditions set forth herein;

Now therefore, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. DUTIES:

The Employee shall assume administrative control of and be responsible for all operational functions of the Office including, but not limited to, the planning, organizing and supervision for supporting the major functions of Planning, Conservation, Historic, Agriculture, Board of Health, Zoning, Permits, Plan Review, Inspections and Building & Code Enforcement including the task assignment, job quality, performance and evaluation of personnel; preparation and submission of the annual budget(s) to the Administrator; submission of required reports; responsibility for all expenditures and grants within approved budgets; presentations before any board of the Town at which the Employee's presence is required and before any Town Meeting; communications with the public, including the media, on matters related to operations and policy; and, any other related and relevant duties as assigned by the Administrator. A more detailed list of the Employee's duties are set forth in the attached job description which may be amended, as necessary, by the Town and which are incorporated herein by reference.

2. HOURS OF WORK/JOB PERFORMANCE:

The Employee shall be required to devote the amount of time necessary to effectively, professionally, and diligently discharge the duties of the position, and manage the affairs of the Office and the employees under their supervision. The Employee's work week shall ordinarily consist of forty (40) hours per week, including such evening meetings and/or other times that may be necessary from time to time in order to properly discharge their duties.

The Employee is an exempt employee for the purposes of the Fair Labor Standards Act. It is recognized that in certain situations, the Employee may have to devote a great deal of time outside of the normal work week to properly discharge their duties, and to that end, the Employee will be allowed a flexible work schedule. Such flexible schedule will allow, for example, the Employee to take time off from work at their discretion, without such time being charged against available benefit leave time. The Employee shall not be granted any compensatory time for hours worked.

The Employee is to be available to the Town during the periods of the business day throughout the entire year, except during periods of illness, vacation or other leave, and acknowledges the need of the Town to have communication and contact with them for any and all reasons.

The Employee agrees to remain in the exclusive employ of the Town provided, however, the employee may engage in teaching, counseling, writing and consulting, or direct employment for others, provided such activity does not consume more than (15) hours per week and has been approved by the Town Administrator before being commenced. Such approval may be revoked if, in the judgment of the Town Administrator, the employment conflicts with the Employee's responsibilities to the Town or their ability to discharge their duties for the Town with undivided loyalty and fidelity.

3. SPECIFIC ISSUES AND GOALS:

The Employee acknowledges that their performance shall be judged by the accomplishment of specific goals and objectives including the successful completion of their Professional Development Plan (the "PDP"). Such goals and objectives shall be, within sixty (60) days of the effective date of this Contract, reduced to writing, submitted to the Town Administrator for review and approval and attached hereto as Exhibit A as if set forth in full and at length herein. The Employee may seek extensions of the plan, with said approval not to be unreasonably withheld, to accommodate changes in course offerings and requirements for certification provided, however, that they shall demonstrate they have been faithfully pursuing such certifications at the time of such request.

Annually, as part of the evaluation process, the Administrator shall define such goals and performance objectives which, in consultation with the Employee, are determined necessary for the proper operation of the Office and in attainment of the Town's policy objectives for the coming three-year period. Further, the Administrator shall establish a relative priority among those various goals and objectives with such goals and objectives to be reduced to writing. They shall generally

be attainable within the time limitations as specified and the annual operating and capital budgets and appropriations provided.

In conjunction with their annual performance review, the Employee shall submit their updated Professional Development plan for review and approval for the coming three years irrespective of the end date of this Contract.

4. SALARY, REVIEW & RETENTION BONUS:

The Employee shall receive a base salary during each fiscal year which, if annualized, will at least be equal to \$95,000.00 (\$1,826.92 per week). The maximum annual bonus amount will increase by an additional \$2,000.00 annually in calendar years 2026 and 2027. Aforementioned calendar year grant bonus shall be payable in January of each contract year.

With the exception of the increase related to attainment of the AICP designation, each annual increase in salary shall be conditioned upon a finding of merit by the Administrator. Merit shall mean the Employee has achieved a positive performance evaluation which shall include the diligent pursuit of their Professional Development Plan.

These salaries will be payable in installments at the same time as other employees of the Town are paid, subject to retroactive payments for any delays in conducting the performance review. In the event the performance review is not conducted as provided, their compensation shall be adjusted as if a satisfactory review had been conducted and a finding of merit was achieved.

Within the thirty (30) day period prior to the commencement of each fiscal year, the Administrator shall conduct an annual salary review, which shall consist of the following: (1) a performance evaluation by the Administrator, which shall take into account the goals and objectives established under Section 3 of this Contract, above and (2) a written statement submitted by the Employee. The written statement by the Employee shall include, but is not necessarily limited to, the following:
