Please **RSVP** to 978-264-1730 or 978-264-1717.

This program is supported in part by a grant from the Acton-Boxborough Cultural Council, a local agency, which is supported by the Massachusetts Cultural Council, a state agency.

Coordinator's Corner

Music is in the air. Don't miss the wide variety of musical experiences we are offering this month. Music historian, lecturer, author, educator, and musician John Clark, PhD will bring his multimedia presentations called the *Great American Music Experience* to Boxborough several times in the next few months. He will share his programs on "Sixties Songwriters" on April 5, the "Music of WWII" on May 3, and others later this spring at the Library.

Singing guitarist Matt York will bring the beloved country music of Johnny Cash to the Community Center on April 12. On April 19, we have some members of the Greater Worcester Opera coming to the Community Center to perform Broadway show tunes and more. Join us for some fun musical afternoons.

Well Adult Clinic

Boxborough's monthly Well Adult Clinic is on the second **Wednesday** of the month, **April 12** from **11 AM** to **noon** at the **Community Center**. It takes place just prior to our monthly lunch. Sign up for the lunch and come early to get your blood pressure checked and talk to our public health nurse, Alicia Lepardo, RN.

The Nashoba Associated Boards of Health holds monthly Well Adult Clinics in each of the towns in the region. Well Adult Clinics are an opportunity for adult residents to have a basic health screening (blood pressure and blood sugar) and talk with their town's public health nurse about health tips and resources to promote their wellness. Visit their calendar page at nashoba.org/calendar for the most up-to-date Well Adult Clinic schedule. You are welcome to attend any of the clinics.

Public Safety

Hello Residents!

The File of Life kit contains a red magnetic sleeve and a card that helps first responders identify pertinent medical information during emergencies. The File of Life card contains a list of medical conditions, medications, allergies, and emergency contact information in the event that the patient is unable to provide the information quickly. A great spot to put the File of Life is on your refrigerator so it allows easy access to first responders. This potentially lifesaving information is vital for firefighters/EMTs and for the hospital staff upon arrival at the Emergency Room.

Residents can obtain a File of Life kit at the Boxborough Fire Department or the Council on Aging. There is also a pocket-sized one available for you to carry with you. Please stop by, we would be happy to give them to you!

I hope everyone enjoys a happy and safe month.

The Boxborough Council on Aging would like to ask for your help in assisting our seniors with issues in the world of Information Technology. We would like to create a program where a senior would call in to request assistance with their cell phone, smart phone, tablet, laptop, or with various technology issues. We would connect them with an IT volunteer and the two of them would set up a mutually agreed upon appointment time at the Town Hall, the Community Center, or perhaps a time to discuss things over the phone. However, we need knowledgeable volunteers to offer their technology talents and time. If you are interested in becoming an IT volunteer, please call 978-264-1717.
