Dear Members of the Planning Board,

I wanted to send a letter of support for the Campanelli project as proposed. Campanelli has been and continues to be a great partner to Boxborough.

As I am sure you are aware, the Town will have many financial concerns over the next couple of years, and I realize it is not your job to have to manage those concerns, but it would be nice if you would partner with the Select Board, the School Committee, and the Finance Committee to help the residents in Boxborough be better able to afford the cost by adding new commercial growth to the bottom line.
