Mary,

Here are comments from the Board of Health.

Campanelli Trigate Sub, LLC – Beaver Brook Rd.

1. The property owner must supply potable water and wastewater disposal in accordance with the applicable MassDEP regulations.
2. The applicant must comply with the Board of Health's Groundwater Protection Regulation.
3. No burying of wood waste from lot clearing operations is allowed without compliance with 310CMR16.000, Site Assignment regulations.
4. Any blasting materials used shall not be perchlorate-based.
5. All detentions/retention structures shall minimize standing water.
6. All phases of construction shall be done to minimize noise, odor and dust that would be injurious of public health and/or cause a "condition of air pollution."

Jim Garreffii, Health Agent

Boxborough Board of Health
