

STEELE FARM IS LOOKING FOR FRIENDS...

The Steele Farm Advisory Committee invites you to join ***"The Friends of Steele Farm."*** We would like to have an interested group of folks to help with the many projects that maintain the access to and the beauty of Steele Farm. We would share dates and times of work (and fun) projects (planting Xmas trees, trimming, painting, etc.), and those who can pitch in to help would just show up. No set commitment; no burdensome obligation. Please contact friends.of.steelefarm@town.boxborough.ma.us with your email address to be added to the FRIENDS notification list.

WOULD YOU BE A FRIEND OF STEELE FARM?

We'd love to have you !
